Teacher Beware introduces the readers to the three main characters. Taking turns, Grace, Sam and Deke tell us about their lives - not only about current events, we also learn about their past. The table of content seemed confusing at first glance, I can assure you, that this book has a pleasant flow. The individual chapters are not too long, the respective header shows you unmistakably the current narrator and the time she or he is telling about. With Teacher Beware, Charlotte Raine has created a different approach on telling the first part of a new series. Teacher Beware is a well balanced romantic suspense read with believable characters. Charlotte Raine slowly reveals her characters story; despite my wanting to know that the killer is stopped, I didn't mind the sedate pace - it is just right. I was drawn into the story, a luckily invisible observer. Teacher Beware is a good read for romantic suspense fans, who like to read about human behaviour. This is a very pleasant read, the promising start of a series.0 von 0 Kunden fanden die folgende Rezension hilfreich. berrascht Von Alf Reader Als 'Sonderangebot' ber kindle bestellt, war's doch eine nette Geschichte. Liest sich leicht und schnell und behandelt brandaktuell gut inszeniert die Themen Auslnderfeindlichkeit und Amok...nicht aus Deutschland, sondern mit US background.

KurzbeschreibungThirty-one year old Grace Ellery survived being stabbed multiple times in Ohio. Two years later, she moves to Murray, Virginia to get a new lease on life. On her first day of substitute teaching, her new life is nearly cut short when she finds herself in the middle of a shooting that leaves a married couple dead. Luckily, she is saved by Sam Meadows, a cardiologist, but the shooter has disappeared by the time the police come around. When the shooter tries to kill Grace again, Sam and Grace realize that the killer wont stop until she is dead. With a killer who has nothing to lose, the question isnt if the killer will attack again, but when and who will be in the crosshairs. A romantic suspense wrapped in the aspects of life: love, family, forgiveness, danger, and death. Reading order for this thriller series: 1. TEACHER BEWARE 2.
