Von Ally Adams : Team Lucas (The Saints team Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Team Lucas (The Saints team Book 1) (English Edition):

Kurzbeschreibung I want to stay forever... I want to have you for as long as I can have you Lucas, even if that is a week or a year or a decade. Mia Carter never thought getting suspended from her part-time job for having attitude could be the best thing to ever happen ... maybe. When Lucas Ainswright one of the worlds biggest sporting stars needs a minder, it just so happens that attitude is just what is needed to keep Lucas in line. Now Mias job is to manage the sporting worlds bad boy and keep him at the top of his game for the season. Game on!
