KurzbeschreibungIn order to expose a sinister, far-reaching criminal conspiracy, detective Jake Cardigan , the twenty-second centurys most able private detective, must prove that an open-and-shut murder case is anything but Once again the inimitable William Shatner, Star Treks original Captain Kirk and a true star of science fiction adventure, brings the future vibrantly alive in the eighth nonstop, action-packed futuristic caper featuring private investigator Jake Cardigan, sworn enemy of the all-powerful TekLords. Walt Bascom, head of the Cosmos Detective Agency, is in serious trouble. Video surveillance in the home of superrich businessman Dwight Grossman clearly shows Bascom murdering the entrepreneur in cold blood. Bascom swears he didnt do it, and hes relying on his agencys best investigator, Jake Cardigan, to prove it somehow. Jake and his partner, Sid Gomez, have their work cut out for them. The only evidence on their side is the testimony of the dead mans sister, Susan, who claims shes had telepathic visions of her brothers true death. But Susan is an admitted devotee of the powerful, reality-altering electronic drug Tek. Whoever wanted her brother deadand Bascom accusedwent to great lengths to set up the scheme, and those responsible are not going to sit idly by while a pair of snooping private eyes and a burned-out Tek fiend start digging for answers. To keep the killers dark and very dirty secrets hidden, one corpse may not be enough.This ebook features an illustrated biography of William Shatner including rare images and never-before-seen documents from the authors personal collection.
