Laughter is the best medicine.Von Ein KundeThis is the first book that I have read by Ms. Cruisie/Crusie. And I can highly recommend it to bookowrms who like their books as an escape hatch from everyday life and stress. The charecters are well rounded out and have their foibles and quirks like we all do. The small town setting is vividly portrayed and the secondary charecters are wonderful. They make you laugh and grit your teeth alternatively. I am presently trying to get

my hands on as many books by this author as is possible. One word of advice.... don't read this book on the public transport. The people around you will think you are crazy when you laugh out loud. I did! And am lucky to be here and not in a straitjacket! Enjoy this wonderful author's sense of humour and sensitivity. 5 von 5 Kunden fanden die folgende Rezension hilfreich. Keine Lüge mehr Von Ein Kunde Okay, die Story ist altbekannt. Einsame, aber nicht alleinlebende Frau mit Kind, trifft alten Schulfreund wieder und es kommt, wie es kommen muss. So weit-so gut, aber wie Jennifer Cruise es schafft, dass die gutbürgerliche Ehefrau, ohne gegen die guten Sitten zu verstoßen, ihren Liebhaber am Ende bekommt, ist schon lesenswert. Klar dass dabei einige gutgetretete Wahrheiten ans Licht kommen. Also keine überraschende Story, aber gut verpackt. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Thoroughly entertaining. You'll laugh out loud! Von 20-yr Customer If you're from a small town, you'll recognize and appreciate a lot of real-life humor in Ms. Crusie's delightful novel. Even if you've never traveled far from a major metropolitan area, Maddy is a character worth reading about and her world will entertain you. Treat yourself to this book. It's worth the money and the time invested. This was actually the first book I'd read by the author. I'm so glad I picked it up. [Admittedly, the feet sticking up out of the convertible on the cover drew my attention at first.] I've since located and enjoyed all of the author's books [through 's Auctions & Shops, since many were hard to find]. If you love cats /or dogs there's an added bonus in Ms. Crusie's work. She portrays animals in her books with warmth, humor, and individuality that's equal to her enjoyable human characters.

Kurzbeschreibung Maddie Faraday's life would be perfect--if it weren't for her cheating husband and her suspicious daughter, her gossipy mother, her secretive best friend, her nosy neighbors, and that guy she lost her virginity to twenty years ago... In *Tell Me Lies*, Jennifer Cruise dishes up a funny, sexy, suspenseful novel about small-town secrets, big-time betrayals and the redemptive power of love, laughter and chocolate brownies.. de If you think small-town life can be boring--think again. There are complex social rules: there are certain people with whom you fraternize and those you don't, and, of course, there is the all-powerful gossip. Everyone knows everything about everyone else. Don't they? That's what Maddie Faraday thinks until she finds a pair of black crotchless panties in her husband's car that don't belong to her. That's it; Maddie's had it. She's ready for change, and the first thing she's going to do is divorce her no-good, philandering husband Brent. But then everything goes haywire: Brent turns up dead, Maddie's daughter wants a dog, her best friend is suddenly acting very strange, and Maddie's secret boyhood crush, bad boy C. L. Sturgis, arrives in town after a 20-year hiatus--and he's as sexy as ever. You may laugh out loud at the wild and crazy antics in Jennifer Crusie's exceptional novel, but you'll exclaim with delight over the sizzling, dynamic, passionate affair between Maddie and her first love, C.
