**Von Kelly Meding : Tempest (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tempest (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. as good as the other booksVon MaelJoranOf Kelly Meding!First book I'd ever read with a gay superhero... Part three is also

good like the previous two meta war story's

KurzbeschreibungThe public doesnt trust them. The government wants to control them. Being a superhero has never been this hard, especially for Tempest.Two months after the discovery of the powerful, non-Meta Recombinants, the former RangersMeta-powered humans dedicated to preserving the peacehave made no progress in uncovering the newcomers origins, or convincing the public to trust them. Newly powered Metas are popping up and causing trouble, while the former BanesMetas who harm humans and create chaosshow no inclination that they even want to leave the island prison of Manhattan. With a presidential election looming, the hot political debate is all about Meta rightsand whether they deserve to have any. Still haunted by the murder of so many in the Meta War fifteen years earlier, Ethan TempestSwift accepts an assignment in Manhattan, working with a team thats interviewing Banes to determine which are still threats and which have reformed. But Ethan has a personal reason for going to the island as well. Armed with questions for the Bane who just might be his father, Ethans quest for answers is interrupted by an unexpected assault on the island. Forced to side with old enemies to uncover who's responsible for the devastating attack, Ethan begins to question more than just his pasthe questions his place in defending a world that sees him as its enemy.
