**Von Sandra Brown : Tempest in Eden (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tempest in Eden (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Pretty clichedVon pontmarieI found this book almost unbearable to finish. Shay is a nude model who meets her new

stepbrother, Ian, who happens to be a minister. The attraction between these two is of the "I hate you/let's have sex" variety and I couldn't really like either of them. This is a very 1980s romance where you really don't see any genuine affection between the hero and heroine. I'm sure Sandra Brown has written better stuff than this. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I ABSOLUTELY LOVED IT!!! Von Ein Kunde TEMPEST IN EDEN is the love story of Shay Morrison, a nude model and Ian Douglas, a minister. They meet one weekend at the request of their newlywed parents (Shay's mother and Ian's father). What a weekend! The sexual tension was sky high and the verbal drawls were hilarious. No matter how different their careers and views are, nothing could stop their attraction from escalating into a full blown love of a lifetime. I deeply respected Ian's religious beliefs because even though he desperately wanted Shay, he did not succumb to temptation. I admired Shay for being so comfortable with her sexuality and proud of her career. It was wonderful to see these two unique people become two halves of a whole. Their characters grew throughout the book and learned to fully accept each other and compromise when it was needed. This is a wonderful read worth your time and money. You'll love it. Trust me! 0 von 0 Kunden fanden die folgende Rezension hilfreich. SANDRA BROWN IS A REAL TRENDSETTER!! Von Ein Kunde I can't get over the fact that this book was originally published in 1983 under the pseudonym Rachel Ryan. Sandra Brown was ahead of her time! This story was so different and wonderful. The characters were very human and extremely likeable. I loved the fact that they both worked thru the preconceived notions they had of one another. This story deals with people of substance. I loved that Ms. Brown made Ian take his job as a minister seriously, yet he still followed his heart as well. I thought it was terrific that Ian was able to love Shay for who she was, without compromising his own beliefs. I loved that the author showed respect for different faiths as well. Sandra Brown is an expert at tackling strong topics. She can pull anything off gracefully. This book is funny, intense and very romantic! Buy this book!

Kurzbeschreibung This novel follows the growing relationship between Shay Morrison, a nude model for artists, and Ian Douglas, a conservative minister who disapproves of her lifestyle but cannot resist her. Pressestimmen "A masterful story-teller, carefully crafting tales that keep readers on the edge of their seats". -- USA Today Kurzbeschreibung This novel follows the growing relationship between Shay Morrison, a nude model for artists, and Ian Douglas, a conservative minister who disapproves of her lifestyle but cannot resist her.
