Von Terry Goodkind : Temple Of The Winds (Sword of Truth) before purchasing it in order to gage whether or not it would be worth my time, and all praised Temple Of The Winds (Sword of Truth):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The James Bond of fantasy series...Von Ein KundeThink about it, Richard Rahl is James Bond. He somehow manages to be at the center of every world-breaking conflict. He gets lusted after by every woman he meets. He brilliantly deduces

solutions to everything just in time, but remains oblivious to the most obvious clues until they get him in big trouble. He's threatened in ways no human could ever hope to survive, but somehow he does. We know who the villains are long before he does. We know everything will be saved in the end, we only don't know how. The only difference is that Richard remains unable to use the (magical) resources he has, probably because there wouldn't be as many plot opportunities if he had a clue what he was doing. Zedd is Q, the wiser character who can only guide. (Although he hardly gets a chance; you wish the world would stop being threatened with absolute evil every other week, just so he'd have time to teach Richard even the most basic things.) Sure it's not perfect. Richard and Kahlan still sound like they're stuck in a bad Celine Dion song with their constant pledges of devotion to each other. But if you can skip past that, there's a highly entertaining story to be found. Maybe not something for everyone, but a fantastic read nonetheless.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Stop whining..... Von B Martin This is another great book in the series. Although not as great as Stone of Tears, but definitely a great addition to the series. As with the previous books the twists in the plot are unpredictable and very interesting. I have stayed up for hours reading these books, and were well worth the loss in sleep...

1 von 1 Kunden fanden die folgende Rezension hilfreich. Great ! No better, Excellent ! Von Ein Kunde I couldn't wait to get this book, and as quick as I got it I read it twice as fast. I love the characters and following their heart warming, tragic, comical, romantic and much much more stories. I can only hope the series never ends, for what could compare to Richard, Kahlan and Zedd! (and so many more loveable and hateable characters) I can't say which book I like the most, I love them all. This story takes a new twist, the black Plague. This time Richard and Kahlan, together, have to find a way to stop the murderous plague that starts with children and moves its way all the way to the town prostitute. Jagang wants to rule the world and doesn't care how he achieves this goal. The new characters brought new to this book add great twists for example: Richards brother Drefan of the Roug Moss the healer and Nadien from his old land. The Witch Woman, Shota, once again plays her devious part and does a great job! I couldn't love and hate any other witch as her. Zedd wow who wouldn't love Zedd! Zedd and Ann Find themselves in a lot of trouble in the wilds, they made me laugh so hard, but it was a great balance with the tragic plague that was running over the land. This book was great, I wouldn't recommend this book for the younger reader, because there is explicit sex and violence. But the sex and the violence made the book all the better, I couldn't fathom the books without it! I have read that some think that our imaginations should be let to do that on their own well I can say that my imagination works over time reading Goodkind's books, if you can't handle the explicit parts page over them but don't miss out on great reading because of that one reason ! My opinion, Buy this book, Read this book, and enjoy the story!

Kurzbeschreibung The Sword of Truth series follows Richard Cypher, a young forester intent on tracking down his father's murderer. His quest will take him far from home, embroiling him in an ancient war, three-millennia past, that is about to re-ignite with world-shattering violence. Jagang, Emperor of the Imperial Order, has invoked an ancient magic, unleashing a lethal plague that sweeps across the land like a firestorm. To halt it, Richard, Wielder of the Sword of Truth, must seek out the legendary Temple of the Winds, a repository of dangerous magics consigned to the Underworld three thousand years ago. But the path of the Seeker is never an easy one for entry to the Temple of the Winds comes at a price, and as Richard and Kahlan will discover, the cost of leaving is even greater.

Pressestimmen "Goodkind has the extraordinary ability to imbue rousing fantasy adventure with a rare emotional depth, once again exploring the power of love and forgiveness in a tour de force of mesmerizing storytelling." --RT
