Temporary Bliss Von HMakenna Lewis isn't interested in a committed relationship, but she does have three "friends with benefits". She is content the way things are but then comes "Delicious Daniel" (as he is called by Makenna) and things start to change. Makenna feels herself falling for Daniel and isn't sure if she is willing to be in a committed

relationship. I was really intrigued when I read the blurb and couldn't wait to read the book. I liked Makenna because she is a strong and independent character despite her issues. Overall, this is a very enjoyable read! Book two, which is about Zander, is supposed to be released in December 2013. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz OK Von Bschungshobel Die Geschichte ist logisch aufgebaut und auch interessant zu lesen, das einzige was mich strt ist die "Sex-Lastigkeit" des ganzen Buches. Nichts gegen ein paar erotische Beschreibungen, aber in diesem Buch bestimmen vor allem diese Szenen das Buch selbst. Ich wollte einen Liebesroman lesen und mich nicht wie im Porno fhlen. Zum Schluss wird das besser, aber von mir deswegen nur 3 Sterne. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Super schne Geschichte Von C. B. Gil Dieses Buch hat mir super super gut gefallen und ich kann es jedem nur ans Herz legen! Spannend vom Anfang bis zum Ende, tolle Charaktere, hat Spa gemacht, es zu lesen! Hole mir gleich den 2. Teil, der von ihrer Freundin handelt!

Kurzbeschreibung Book 1 in the USA Today Bestselling Bliss series by BJ Harvey starts with the woman who started it all and the 'superhero' who proved her wrong. All five books in the series are now available for purchase.

Blurb: Makenna Lewis cringes at any mention of the word commitment. She doesn't want or need a relationship, but she does like sex (who doesn't). That explains Noah, Sean, and Zander, her three 'friends with benefits'. They know the score, they know they're not the only one, and each of them provide her with a different physical need that she craves and enjoys. Until a late night encounter with the delicious Daniel Winters turns her preconceived notion of no-commitment completely on its head. Soon she finds herself feeling things she vowed never to feel again, and when Daniel pushes for more than she's willing to give, she falters. What do you do when something that you've known to be so wrong in the past feels so damn right? If you're Mac, you run and hide. But is Daniel the type of man who takes no for an answer? The Bliss series is now complete and can be purchased separately or as one whole set. ****Disclaimer - There is absolutely no cheating in this book. However, this book does contain descriptive and super hot sex scenes that will make you blush and leave you hot and bothered. Make sure you have your husband,

partner, boyfriend or significant other nearby when reading, or else batteries.
