Unerwartet gutVon MinelliIch dachte eigentlich das wre so gutes Mittelma allerhchstens, da ich aus diesem Themenbereich genug kenne das genau das ist. Aber das war erstaunlich gut.Selbstverstdlich ist es kurzweilig und im Prinzip lieben sie sich nach zwei Stunden schon und knnten in den Sonnenuntergang reiten, aber im Groen und

Von Katerina I think it will not surprise anybody, if I say that romances like this, where two people fall in love in a couple of hours never happen...but sometimes it can be so much fun to read about it!!! I recommend this book to everybody, who has some hours to spare and is in the mood for a light read with likeable characters and some witty banter!!! Enjoy! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzweilige Unterhaltung Von SaFi Die Geschichte ist schnell gelesen und genau die richtige Unterhaltung für einen Tag am Strand. Kurzbeschreibung Haley Marchand needs money. So when a request comes for her to be both temporary secretary and fiancée, she jumps at the chance. As luck would have it, she falls on her face in the driveway. Entrepreneur Rand McNeil naturally says she won't do. Things take a turn for the worse when he degrades her elfin face and wild hair. Now Haley's on the defensive, and heaven help "Mr. nobody-should-look-this-good." Because he lied to his former fiancée, Rand needs someone who, in addition to having topnotch secretarial skills, can pose as his fiancée for one evening as he finalizes a pivotal business merger. He needs someone tall and classy, and instead gets someone perky and cute. No way his high-and-mighty ex and her father will believe he'd be engaged to someone like her. Can Rand keep the unpredictable Haley from turning his life, and emotions, into total chaos? Can Haley keep her attraction to hot-and-cold Rand under control as she challenges his diehard conviction that marriage is only for idiots? This is a new release of a previously published edition.
