KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Gute UnterhaltungVon K FromwaldLady Irisa Langley, die Tochter des Grafen von Langley ist mit Lord Ashton verlobt,

der den Beinamen "The Saint" trgt. ER ist der perfekte Gentleman, leider zu perfekt fr die nicht so perekte Lady Irisa, die so manches Geheimnis hat, unter anderem die Umstnde ihrer Geburt. Manches an der Geschichte ist ein wenig bei den Haaren hergezogen, aber im Gesamten ist der Roman gelungen, allerdings nicht einer der besten von Lucy Monroe.

Kurzbeschreibung THE LANGLEY FAMILY TRILOGY Emotional sensuality...Regency style. Three very different siblings. Three powerful secrets. Three stories of love, passion and betrayal that will span the seas from the West Indies to Regency Era England. TEMPT ME Family secrets threaten the very fabric of Lady Irisa Langley's world, but she's determined to enjoy her newly-formed relationship with the half-sister she never knew she had. To move forward with her life. She's also head over heels for her paragon of a fiance, Lord Ashton, and determined to win his heart, despite his depressing lack of willingness to indulge her sensual curiosity before marriage. Nicknamed "The Saint," Lucas, Lord Ashton, puts duty and honor above all. It's taken years to repair the damage caused by his family's deplorable behavior. Now he can't afford to let even a hint of scandal undo all his hard work in renewing the Ashton family reputation. But something is wrong with his perfectly delicious fiancée. She's got a streak of hoyden running through her veins that should be enough to put him off. Yet somehow, he finds himself drawn to the feisty beauty against his will. When someone close to him threatens to reveal the secrets that could destroy Irisa's place in the ton, and his as well, Lucas must choose between their future happiness and his hard-won propriety. There is only one choice for a gentleman intent on protecting his hoydenish lady, but the consequences could destroy them both. .
