Von LynLuke und Cole....die heieste Versuchung seit es Mnner gibt !!!Warum soll sich Frau mit einem Mann zufrieden geben, wenn sie (in dem Fall Sierra) zwei der heiesten Typen im Bett haben kann? Recht hat sie !Nicole Edwards hat mich mit ihrer "The Destiny Club" Serie in ihren Bann gezogen und ich bin begeistert (bin

mittlerweile bei Buch 5 angelangt).Mdels, ich wei, es ist nur ein Buch und das wahre Leben sieht anders aus. Wo findet man schon auf einem Platz so viele gut aussehende, gut gebaute Mnner wie im Destiny Club? Die noch dazu keine Milchbubis, sondern gestandene Mnner sind?Schaut euch um! Oder entspricht der Typ am Schreibtisch neben Euch etwa euren heimlichen Fantasien? Oder der Typ an der Supermarktkasse? Nie im Leben !Deshalb liebe ich diese Bcher, bei denen man noch Trumen kann...0 von 0 Kunden fanden die folgende Rezension hilfreich. Great m/m/f love storyVon JohannaAfter having read Conviction I was curious about Luke's story and couldn't help myself but read the next book soon after the first; also because I really love m/m/f romances. And I have to say that I enjoyed it even a little bit more than Conviction.Luke is such a closed-off guy keeping all his thoughts and emotions to himself. But in the first book I could see that there was something going on between him and Cole. There would probably have nothing ever happened between them in terms of talking about their feelings if not for Sierra.I have to admit that I was sort of rooting for Luke and Cole. I liked Sierra and I liked that this was a thressome love story. But it has been a while already since I've read this book and I can't remember anything special about Sierra. She was a likeable character, beautiful of course, strong about what she wants and weak enough to submit to Luke who's got her men wrapped around her little finger. But that's all I remember about her.I admired Cole though for his strength. He has to be so patien with Luke who needs a lot of time to man up and confess that he has feelings for both of them. There were times when I could have hit Luke in the face and yelled "Hurry up!" but it was their story and not my role to interfere. But that always shows how much I'm involved in a story so I guess it's a good sign.I enjoy this series and I'm very much looking forward to reading Ashleigh and Alex' story because I'm kind of curious how Ash can still be a virgin at almost thirty and how the two of them will get along and sort out their differences.1 von 1 Kunden fanden die folgende Rezension hilfreich. Awesome, hot menage!!!Von CassandraHoly F***ing S***!!! This book should come with new panties! Because the pair you are wearing won't last long! Hotter than Hot, worth a sin, made for naughty dreams.There were some parts when I really wanted to strangle Luke and Cole sometimes as well. I liked how little Sierra went for what she wanted and fought for it. Can't wait to read their second book in this series!
