Von K.M. Golland : Temptation (The Temptation Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Temptation (The Temptation Series Book 1) (English Edition):

characters are interesting and the storyline has potential, but I couldn't really enjoy this book. The problem with self-publishing is that there is no real betaing process and I constantly went into beta mode. I'm not a native speaker, so I'm usually not that sensitive when it comes to mistakes, but there were a lot of really basic ones in this book. The main thing that bugged me were the many changes in tense: if the book is written in past tense, no present tense should be used at all! Unfortunately, this happened a lot, e.g. "I thought about it the surer I became. Agreeing to be his P.A. was inevitable; I'm well and truly drawn to this man, I will need to ..." There is also something seriously wrong with the punctuation in this book: a lot of commas where there should have been full stops. I found this very irritating. And I'm not sure about the writing style. Sometimes, the dialogue was a little strange, like this conversation between Alexis and her husband: "Oh he just organised a replacement at Versace did he? Just like he wipes his arse with \$100 bills?" I couldn't help but giggle. "You idiot, yeah something like that, now shut up and go to sleep. I have to work tomorrow." -- All in all an interesting storyline that includes some really sexy scenes, but that lacks the professionalism of a well written and well edited book.

Kurzbeschreibung This book is for mature audiences 18+ It contains explicit language and sexual content. You can close your eyes to the things you dont want to see, but you cant close your heart to the things you dont want to feel Alexis Summers is happily married and a mother of two gorgeous children. Shes been a stay-at-home mum for nine years now, but its time for a change. Starting a new job with a prestigious hotel, shes excited about her new career. Her boss, the hotels owner Bryce Clark, is rich, gorgeous, funny, single and, as Alexis quickly learns, a genuinely nice guy looking for his one true love. He is also a man who always gets what he wants. And what he wants is Alexis. The intense chemistry between them is undeniable but Alexis is happily married to Rick, and no matter how strong her feelings are for Bryce, she is adamant she will not betray her husband and family. She draws a line in the sand but finds it increasingly difficult not to cross. Will she succumb to temptation? An enticing, sexy and suspenseful debut of forbidden love and impossible choices The incredible first book in the Temptation series
