Von Nora Roberts : Temptation before purchasing it in order to gage whether or not it would be worth my time, and all praised Temptation:

fulfilled. Due to the setting in a girls camp, there is some similarity to a HanniNanni story. Nonetheless one can end with a satisfied sigh, just as said above. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Average-nothing more-nothing less Von A. Schnorrenberger This book is a nice love story and definitely a fast read. But it's just that, nothing more, nothing less. The average love story ends with a smile on the reader's lips, but it's also fast forgotten. The book is also very thin as is normal for Silhouette-Romances... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Better than average Von Mirko Sachse Better than her average books but not upon the best. Usually three stars for most of her books, four stars for better than average and five stars for the best.

Kurzbeschreibung A story of unexpected passion from #1 New York Times bestselling author Nora Roberts. Socialite Eden Carlborough didn't expect running a girls camp to be easy, but she never thought the little monsters would literally run her up an apple tree. Eden is equally surprised when she finds herself falling into the capable arms of orchard owner Chase Elliot. And while her handsome neighbors' overbearing ways are highly irritating, Chase's touch ignites feelings that make Eden want to succumb to temptation. **A NORA ROBERTS CLASSIC AVAILABLE DIGITALLY FOR THE FIRST TIME**
