BOOK 8-Lucy decides on her true mate. Horrific danger lurks in the shadows threatening the bear-shifters. Isabelle finds out she is more than just a bear-shifter. BOOK 9-Tori and Lily visit Patricia's home to see if she has something to do with the the abduction of Lucy and Tristans daughters. Annie awaits with bated breath of news that all is okay with the girls and Lucy. The last of De Rozier clan arrive in Maine and are put to work as guards. Horrific danger comes to Annie's home with a vengeance. WOW! SPECTACULAR well written fast paced creative reads by a genuinely gifted author. I absolutely relish this series, a mini soap opera in a book that comes to an end with a heart-melting conclusion, a most gratifying read. The interaction between the characters is fabulous as they spring to life with the plot, passion and powerful scene descriptions. The twists and turns keep you glued to the story, and the romance sizzles. Tristan's unwavering devotion for Annie shines like a dazzling star, Annie is definitely the Queen Of Hearts, and Isabelle proves to be a most valiant heroine. As I am sorry to see this saga end, I know the author will create more stories filled with intrigue and romance. If you dote on shifter stories with suspense, romance, and awesome characters, this is an excellent choice for your library. {I gifted these books and this is my completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I highly recommend this set and the series.
