VaughnReviewed: Stephanie JordanGosh I love this Series.Ms. Vaughn's writing is phenomenal, every word, every page, you hang on waiting for the shoe to drop. Part Three continues withTristan telling Annie his triplets, Eva, Ellie and Echo plus Tristan's evil mother, Helga they should arrive there the next day. Annie is not ready yet there are not beds and painted the walls. But Tristan is worried cause the triplets are very rambunctious BUT Annie tells him she will smother them with love. Tristan says his mother is more then what she seems but he still insists she live with them. Isabelle is very upset and doesn't want to see her mother when she comes. The De Rozier Clan are coming to the LeRoux Clan's Land in Maine, a little at a time. Isabelle and Luke are slowly coming together, only Luke just wished Isabelle trusted him enough to confide everything to him. Isabelle will confide with Ash.A lot things are happening and stirring up the pot. Can't wait for Part Four. I was gifted this ARC for an honest and truthful review.My Personal Stars ScoresHero Rating. 4 StarsHeroine Rating. 5+ StarsSexual Tension Rating 5 StarsSex Scenes Rating. 4 StarsPlot Development Rating 5++ StarsDialogue Stars. 5 StarsOverall Rating. 5 StarsStorytelling Rating 5++ StarsStoryEnding Rating 5 StarsWould I Reread This Book?? KurzbeschreibungAnnie - I finally get the family I crave with the arrival of Tristans triplet daughters. But Helga De Rozier, Tristans mother brings something completely different. Her sweet exterior hides an evil that shakes me to the core. While my love for Tristan knows no bounds, I wonder if it will be enough.Isabelle - If hell had a field agent, it would be my mother, Helga. She may have Annie fooled, but Tristan and I know what her presence really means, and the horrors that Ive damned up in my mind have come flooding back. This time Ill be the one to win.KurzbeschreibungAnnie - I finally get the family I crave with the arrival of Tristans triplet daughters.
