JordanI just love this Series it is great, I just seem to start reading and I blew right thru 13 chapters. Ms. Vaughn has me hook, line and sinker. Isabelle De Rozier wants to die, there is no way she wants to become mad like Helga, her mother and she knows the curse would find her next. Seeing that Helga was dead Isabelle knew this was the end for her too. An angel came and picked her up from the bottom of the peir carrying her she felt safe and she loved his smell, wait something doesn't make sense! Am I dead? Jean Luc Ouelette, was the Alpha of the Ouelette Clan with there territory in New Brunswick. Jean Luc saved Isabelle from drowning he knew she was his true mate. Lucy is in trouble, she loves Sven they're mated, but every time she sees his twin her juices start flowing, how can she have two true mates? Than there's Keith and Tori, what's Keith going to say when he finds out where they have to live? This book is a little of everything in Part 7.. OMG This is so good.. I was gifted this ARC for an honest and truthful review. MUST READ- CAPTIVATING SIZZLING ROMANCE Von midniteink Tempted by the Bear-Part 7-A captivating story filled with intrigue and spine-tingling romance. I adore series, you get acquainted with all the awesome characters, and the characters in this series are powerful, sultry, exhilarating and full of unforeseen surprises. What you'll find in this story; a cast of remarkable, impressive and engaging characters, family issues, superb banter, fabulous story-line, dynamic scene descriptions, camaraderie, pent-up rage, gripping suspense, emotions spiral, earth-shattering heart-throbbing romance, and a conclusion that leaves you craving the next book. Lucy finds out she has another fated mate; Serge, Sven's twin. Tori is now the Alpha for Veilleux clan, and learns from Lily new information about the death of Keith's previous mate. Isabelle is alive and her life takes a turn; if she mates the curse will be broken. Keith is still on cloud nine with Tori, and Tristan still does not her sister is alive. WOW! Spectacular well written fast paced creative read by a genuinely gifted author. I absolutely relish this series, a mini soap opera in a book that keeps getting better with each segment; a most exhilarating read. The interaction between the characters is convincing and certainly praise-worthy. The twists and turns keep you glued to the story, and the romance is more than steamy. I eagerly await the next book in this fantastic series. If you dote on shifter stories with suspense, romance, and fabulous characters, this is an excellent choice for your library. {I received a copy of this book for a thoroughly truthful review}. In the world of shifter romance the possibilities are endless but always fascinating. Without reservations I highly recommend this book and the series.

Kurzbeschreibung Lucy Just when I thought I had my life all figured out, fate throws a curveball. My true mate, Svens twin is a more than a potential brother-in-law, and now I have to determine what to do about it. Isabelle I planed to die, but my destiny is something much greater than I ever imagined. Not only is Jean Luc Ouelette the werewolf who saves me, it seems Im supposed to save him.
