MUST READ-SPECTACULAR FINALE SIZZLING ROMANCEVon midniteinkTEMPTED BY THE BEAR-BOOK 9-THE FINALE OF A captivating story filled with intrigue, spine-chilling suspense and sizzling romance. I adore series, you get acquainted with all the awesome characters, and the characters in this series are powerful, sultry, exhilarating

and full of unforeseen surprises. What you'll find in this story; a cast of remarkable, impressive and engaging characters, family issues, spectacular story-line, picturesque and dynamic scene descriptions, camaraderie, pent-up rage, gripping suspense, life-threatening incidents, magic, emotions spiral, skyrocketing spine-tingling sensual romance, and a magnificent conclusion that warms the soul. Tori and Lily visit Patricia's home to see if she has something to do with the abduction of Lucy and the girls. Annie awaits with bated breath of news that all is okay with the girls and Lucy. The last of De Rozier clan arrive in Maine and are put to work as guards. Horrific danger comes to Annie's home with a vengeance. WOW! SPECTACULAR well written fast paced creative read by a genuinely gifted author. I absolutely relish this series, a mini soap opera in a book that comes to an end with a heart-melting conclusion, a most gratifying read. The interaction between the characters is fabulous as they spring to life with the plot, passion and powerful scene descriptions. The twists and turns keep you glued to the story, and the romance sizzles. Tristan's unwavering devotion for Annie shines like a dazzling star, Annie is definitely the Queen Of Hearts, and Isabelle proves to be a most valiant heroine. As I am sorry to see this saga end, I know the author will create more stories filled with intrigue and romance. If you dote on shifter stories with suspense, romance, and awesome characters, this is an excellent choice for your library. {I received a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I highly recommend this book and the series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tristan Really Loves Annie! Von Ingrid Stephanie Jordan Title: Tempted By The Bear Part 9 Author: V. Vaughn Reviewer: Stephanie Jordan #Paranormal #PolarBearShifter As everyone knows Part 9 is the final. OMG! OMG! This is the best series ever, I'm telling everyone they have to read it's a must. This is a MUST READ SERIES. I dropped everything so I could read Part 9 since Part 8 was a huge, huge cliffhanger... OMG it's so intense!!! The triplets are gone, kidnapped by the human hunters. Annie is falling apart so of course, she starts baking, then to top everything else off the quadruplets arrive. Tristan, Isabelle and Jean Luc started to track the triplets. Brady helps and Carly is so big she can barely walk. Lily and Tori have a plan. It all comes together. Everything I want to say about Part 9 will give away too much, you have to read it for yourself. Believe me you will love it. I was gifted this ARC for an honest and truthful review. Kurzbeschreibung This is the final installment of Tempted by the Bear - Annie - Tristan promised me he'd get the triplets back, but I worry about the price we'll pay. The human hunters are not the only ones that bring danger to the Northeast Kingdom, and I fear I may lose what I've finally found. Isabelle - Jean Luc and I have returned to Maine to save my brother. When we get there, I discover I must save so much more. While my magic makes me strong in a new way, it's the power of love that may teach me the most important lesson.
