Von Ingrid Stephanie Jordan Title's: Tempted by the Jaguar/Accepting the Jaguar Boxed Set: Books One Two (Riverford Shifters) Author: Cristina Rayne Reviewed: Stephanie Jordan Title: Tempted By The Jaguar Riverford Shifters Book One This was an interesting book, at first I think I was as confused as the victim. She was unconscious so when she came too, she was blabbling like the book was. Then things started to open up, I realized she was the victim but not for long, he was. Kylie Moor is a college student who left her class to go home. Only to being attacked from behind and clobbered in the head, than tied up, thrown in the trunk of another car. Being in the trunk after awhile they stopped and he took her out the trunk she screamed and screamed and thrown to the ground. He cut her clothes off and then something happened. Hunter Rivera is a Jaguar hunting in his territory when he hears a women screaming but when he gets there he see another Jaguar mauling a human. After he tackles the other jaguar he tries talking to her. But Kylie is so confused and scared she runs. This is definitely a must read book it is a fantastic read. Why it even has a cliffhanger. Title: ACCEPTING THE JAGUAR Riverford Shifters Book Two I really liked Book One but Book Two kept the adventure going. I'm trying to figure out, am I Team Kylie? or Team Hunter? Maybe both... Kylie Moor had to save Hunter from the lioness assassin, doing this meant her secret was blown. What does she do? Yes, it a hard decision to make but Kylie didnt think twice. It was Hunter the man who just a few hours ago stole her heart. Hunter Rivera a jaguar shifter, couldn't match the assassin, she had a whole lot more experience in fighting than him. He screamed for Kylie to run knowing that this might be his end, all he could do was try to way lay the assassin so Kylie can get away. Hunter fought but the lioness over powered him, this was it, all of a sudden the weight was lifted off his body. He couldn't get up but was confused, why is a lioness fighting another lioness. The assassin shifted and was screaming that the other was a traitor, then she ran off. Who was the other lioness? Did Kylie get away? He turned and saw the Wolf the assassin tried to kill, helping stop the bleeding Hunter called for help. Than the Wolf says to him. Your Hunter, I escaped to find you for your brother, Ryder.... I was gifted this ARC for an honest and truthful review. Kurzbeschreibung This is Books One and Two of the Riverford Shifters paranormal romance series from New York Times USA Today bestselling author Cristina Rayne Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandoras Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. Contains strong adult content and language. ber den Autor und weitere Mitwirkende Cristina Rayne is a New York Times and USA Today bestselling author who lives in West Texas with her crazy cat and about a dozen bookcases full of fantasy worlds and steamy romances. She has a degree in Computer Science which totally qualifies her to write romances. As Fantasy is her first love, she feels if she can inject a little love into the fantastical, along with a few steamy scenes, then all the better. She is also the author of the Claimed by the Elven King and Erotic Tales from the Vampire Underground series.
