Enjoyable historical paranormal romanceVon Helen HancoxThere's a lot of the paranormal in this historical romance -

the hero, the Earl of Rockhurst, is one of a line of special humans known as the Paratus whose job is to fight against evil creatures which periodically are able to slide into this world through a 'gate'. This Paratus has his assistant, a wolfhound Rowan, but knows the risks of getting involved with a woman who could be used against him by the evil creatures. Unfortunately Rockhurst finds himself involved with a rather unusual woman - unusual in that she's invisible. He doesn't know the identity of the woman he names Shadow but she saves his life and he wants to find out more about her, especially when he realises her invisibility is caused by a very special ring, one which, if he obtained it, could mean he could once-and-for-all banish the evil creatures against which he battles. But Shadow, otherwise known as Lady Hermione Marlowe, doesn't want to reveal her true identity to Rockhurst, a man she has loved for years. She has met him lots of times and he's ignored her - she's not beautiful or interesting enough to tempt him. After making a wish she finds herself invisible between dusk and dawn and so sets out to learn more about Rockhurst, becoming dragged into his battle against the evil creatures at the same time. What Hermione doesn't know is that Rockhurst may have to kill her to get the ring, and that other people are also after the special magical ring. I did enjoy reading this book, particularly its spirited heroine Hermione. Rockhurst, too, was an interesting and tortured hero although I felt his dog stole a few of his scenes. As a paranormal the occasional lapse of historical accuracy didn't seem to matter as much (people's dialogue slipped into American rather than British English several times). Hermione's fears that Rockhurst wouldn't be interested in her if he actually saw her were well written and I also liked some of the side characters. All in all this was a good read. Originally published for Curled Up With A Good Book Helen Hancox 20082 von 2 Kunden fanden die folgende Rezension hilfreich. Ein wirklich romantisches Mitternachtsmärchen Von Katharina F. Lady Hermione Marlowe, adlige Tochter aus einer mehr als skurrilen Familie, ist unsterblich in Lord Rockhurst verliebt. Die Gerichte, die um seine Person in den Adelskreisen im London des frühen 19. Jahrhunderts kursieren, versucht sie nach Möglichkeit zu ignorieren. Eines Tages findet sie jedoch einen verzauberten Ring und wünscht sich nichts sehnlicher als unsichtbar in der Nacht zu sein, um so alle Geheimnisse um Lord Rockhurst entschlüsseln zu können. Tempted by the Night ist ein romantisches Mitternachtsmärchen, das mit einer sympathischen Heldin, einem einsamen Helden und zauberhaften Nebenfiguren glänzt. Die Geschichte ist flott und spannend erzählt, ohne unnötige Lügen. Die Dialoge zwischen der mutigen Heldin der Nacht und dem starken Kämpfer sind witzig und doch nicht platt. Alles in allem ein wundervoller, zu Herzen gehender Roman für kalte Wintertage.

Kurzbeschreibung A Secret Admirer . . . They say he's a shameless rake who cares for nothing but pleasure, a rogue who spends his nights in London's lushest locales, gambling and carousing until dawn. But Lady Hermione Marlowe refuses to believe that the handsome gentleman she's loved from afar for so long could be so wicked. If only she had a way to prove to the ton that Lord Rockhurst is as proper as the rest. If only she knew what he really did under cover of the night . . . A Clandestine Encounter . . . Lord Rockhurst knows what they say about him, and he doesn't care. Let them think his nights are filled with craven debauchery. Only he knows his true purpose, his dangerous goal. But when a mysterious woman falls into his arms and thereby saves his life Rockhurst will struggle to save his secret. Who is this creature with such tempting curves and an enticing touch? Rockhurst can only wonder how he can trust her . . . for he knows he cannot resist her. Kurzbeschreibung A Secret Admirer . . . Synopsis Lady Hermione Wilmont has loved the rakish Earl of Rockhurst from afar forever, defending his scandalous ways at every turn. That is until she wishes she could follow after him at night, completely unseen, so as to reveal his true noble nature. Much to her shock, Hermione finds herself fading from sight as the sun sets until she is completely invisible. Freed of the confines of Society, she recklessly follows the earl into the temptations of the night and shockingly discovers that the Earl's scandalous veneer is merely a cover for his real duty: safeguarding London as the Paratus, the Protector of the Realm. And while the Earl has sworn to combat evil at all costs, his world is altered one night when an unseen creature, an invisible miss, stumbles into his arms and unwittingly saves his life. Could Hermione be the final temptation sent to lead him into his ultimate destruction or the answer to an ancient prophecy which would set him free?
