Steamy, sizzling romantic suspenseVon Ein KundeOver a quarter of a century ago, as a young child, Logan McCord was abducted from his adoptive parents to live amidst a family that showered him with nothing resembling love. His upbringing provided Logan with the requisite requirements needed to perform undercover antiterrorist work for the

government. Kelly Taylor is a reporter, mourning the death of her spouse, who has left behind a child (from another woman) in Columbia. She has a chance to interview Logan, whose fingerprints prove that he is the missing adopted son of Senator Stanfield and his wife. Kelly asks Logan to help her adopt the son of her deceased husband. She needs a husband who knows South America and he needs a wife who can help him investigate why someone wants him removed, more permanently, from the Stanfields again. They agree to a marriage of convenience and fly to Columbia where they fall in love as dangerous criminals chase them into the nearby jungle. Meryl Sawyer is one of the top authors of romantic suspense and her latest novel, *TEMPTING FATE*, is a fabulous addition to her repertoire. The story line is loaded with action and suspense, and the lead protagonists are a wonderful pair, struggling to overcome external enemies and internal histories. Though the villains are too superficial and cartoonish, Ms. Sawyer provides readers with an intriguing, superb romantic suspense.

Von Ein Kunde  
Meryl Sawyer's *TEMPTING FATE* is one of the best books I have ever read. Logan McCord is a wonderfully scarred and tortured hero. His kidnapping experience seems to have scarred him permanently, such as his distaste of kissing. Kelly Taylor is a wonderful young woman and neither Logan or Kelly seem to quite understand the other. There are some misunderstandings between the two. There are many questions the reader may form at the beginning of this book such as...Who kidnapped Logan? What were their reasons? Maybe the kidnapper is closer to home than anyone thinks. Why does Logan barely remember his first five years before his kidnapping? Why does he look so much like his "adoptive" father? Why do his supposed siblings resent his return? Don't worry. Meryl Sawyer will answer these questions and more. The answers may surprise you.

Von Maryann Jr  
Meryl Sawyer dishes up another intricate tale of suspense, mystery and romance with "*TEMPTING FATE*". Logan Mc Cord and Kelly Taylor are strong, independent, and content to be on their own - until they realize that fate has other plans. Both are running from pasts that are less than perfect, and find; in each other, the promise of happiness. Happy running a small town newspaper, Kelly is tipped off to get the scoop of the decade and interview Logan Mc Cord, the missing child of the town's hope for President. Logan is trying to keep a low profile, while the prominent political family that left him for dead in the desert years before drags him back into the spotlight. An orphaned boy, a political scam, several mysterious murders and a whole lot of romance round out the story. Meryl Sawyer is a great storyteller, and in the tradition of "*A KISS IN THE DARK*", "*THE HIDEAWAY*" and "*UNFORGETTABLE*", she'll keep you hooked until the last page!

**Kurzbeschreibung**  
An Arizona journalist enters a world of danger and desire when she blows the cover of a deadly covert operative in this spellbinding romantic suspense novel from New York Times bestselling author Meryl Sawyer. Kelly Taylor's career as an investigative journalist was derailed by a news story that resulted in tragedy. Now, she's back in Sedona lying low as a local reporter for her grandfather's paper. But she may get another shot at the brass ring. After vanishing twenty-five years ago, the long-lost son of a powerful state senator has turned up in her Arizona town. With few memories of his childhood, Logan McCord grew up to become a trained killer who fights terrorism. A twist of fate reunites the Special Ops agent with his family, but the homecoming isn't what he expected. With his true identity exposed, Logan's enemies know where to find him. As Kelly and Logan start to fall for each other, her quest to find an abandoned child takes them to Venezuela. But in Logan's dangerous world, there's no shortage of enemies who want to make him disappear and nowhere for him and Kelly to hide from a killer whose lust for money and power runs lethally deep.
