Von Gretchen McNeil : Ten before purchasing it in order to gage whether or not it would be worth my time, and all praised Ten:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A mainstream YA horror slasher story, with creepy occurrences and gruesome murders according to schedule.Von Miss Page-TurnerTen teenagers are invited to White Rock House, stately manor on a private island. Meg and her best friend Minnie just wanted to have a fun weekend and enjoy the party, but someone on the island has different plans for

them. When they find a DVD with a vengeful message, people start disappearing and getting killed. Of course the killer is after the two girls as well. TEN is a mix of all the teen slasher movies that you've watched, turned into a book. The setting for TEN is very glum and isolated, a tiny island with only two mansions and a storm brewing. These factors are expected to make our characters' quest for survival harder and even though they often say they shouldn't separate they do exactly that. They were just as infuriating as teens in horror movies. Admittedly both setting and characters are a bit clichéd and the plot felt too generic. It could've been more extensive in explanations and allowed some more time to work on a stressed-out reader instead of rattling through the murders in a row, offing people like ticking off a check list. TEN comes along with a story of friendship, a small love story for Meg and one of the boys on the island and its grand killing spree. The story of our teens is supplemented with diary entries of an unknown person, whose past and entries are the key to finding out who's behind the murders. 3,5/5 ***/* TEN - A mainstream YA horror slasher story, with creepy occurrences and gruesome murders according to schedule. I read TEN during my summer vacation, in a lonely cottage on the Danish coast, while rainy and windy weather broke through the quiet of the night. So you can imagine a portion of the story's intended tension and creep-factor were definitely delivered to this reader. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gretchen McNeil - Ten Von Kerstin

Kurzbeschreibung: It was supposed to be the weekend of their lives three days on Henry Island at an exclusive house party. Best friends Meg and Minnie each have their own reasons for wanting to be there, which involve their school's most eligible bachelor, T. J. Fletcher, and look forward to three glorious days of boys, bonding, and fun-filled luxury. But what they expect is definitely not what they get, and what starts out as fun turns dark and twisted after the discovery of a DVD with a sinister message: Vengeance is mine. Suddenly, people are dying, and with a storm raging outside, the teens are cut off from the rest of the world. No electricity, no phones, no internet, and a ferry that isn't scheduled to return for three days. As the deaths become more violent and the teens turn on each other, can Meg find the killer before more people die? Or is the killer closer to her than she could ever imagine? **Meine Meinung kurz knapp:** Gretchen McNeil konnte mich mit ihrem Jugendthriller Ten definitiv begeistern. Aus Megs Sicht wird berichtet, wie nach und nach die Jugendlichen sterben und man weiß anfangs nicht, ob es sich um Selbstmord oder einen tragischen Unfall handelt. Erst später wird klar, dass es der Täter auf jeden von den zehn jungen Leuten abgesehen hat und man rätselt über das Motiv und natürlich den Täter. Denn es könnte wirklich jeder der Jugendlichen selber infrage kommen. Die Geschichte an sich bleibt von Anfang bis Ende spannend, schon der Beginn macht eindeutig Lust auf mehr und die Umgebung, eine abgelegene Insel, wird von Gretchen McNeil sehr anschaulich und intensiv geschildert. Bildet die Gruppe anfangs noch eine zwar zusammengeworfene Einheit, macht sich nach und nach Misstrauen unter den jungen Leuten breit, denn jeder verdächtigt jeden. Es werden alte Wunden aufgerissen und Vorwürfe laut, die sich bisher im Verborgenen gehalten haben und somit wird selbst vertrauten Personen nicht mehr geglaubt, was die Autorin nachvollziehbar darstellen konnte. Ich kann Ten mit gutem Gewissen weiterempfehlen. Ein spannender Jugendthriller, der es durchaus verdient hätte, auch ins Deutsche übersetzt zu werden.

Kurzbeschreibung A smart and terrifying teen horror novel inspired by Agatha Christie's *And Then There Were None*, from *Get Even* author Gretchen McNeil now a Lifetime Original Movie! Ten teens. Three days. One killer. It was supposed to be the weekend of their lives an exclusive house party on Henry Island. Best friends Meg and Minnie are looking forward to two days of boys, booze, and fun-filled luxury. But what starts out as fun turns twisted after the discovery of a DVD with a sinister message: Vengeance is mine. And things only get worse from there. With a storm raging outside, the teens are cut off from the outside world . . . so when a mysterious killer begins picking them off one by one, there's no escape. As the deaths become more violent and the teens turn on one another, can Meg find the killer before more people die? Or is the killer closer to her than she could ever imagine? Perfect for fans of Christopher Pike's *Chain Letter* and Lois Duncan's *I Know What You Did Last Summer*, Ten will keep readers on the edge of their seats until the very last page! **Pressestimmen** In the esteemed tradition of teen horror fiction, TEN hits all the high notes: a stormy night, illicit liaisons, cut phone lines, suspicious disappearances, double-crosses, secret histories, and plenty of twists. (ALA Booklist) Agatha Christie meets *Gossip Girl* in McNeil's throwback to old-school thrillers. (Publishers Weekly) A quick-paced thriller full of half-facts and red herrings that take readers through the twists and turns of a deadly weekend. (School Library Journal) Don't expect to put it down once you've picked it up. (Bulletin of the Center for Children's Books) A breathless read. (Kirkus) Gretchen McNeil's TEN is my new number one! I jumped at every creaking floorboard in my house and on the page. This is sure to be a teen thriller classic! (Nancy Holder, Bram Stoker Award winning author of *THE SCREAMING SEASON*) TEN is a real page turner! Gretchen McNeil knows how to plot a thriller: Her setup is flawless and the suspense kept me on the edge of my seat. (Christopher Pike, #1 New York Times bestselling author of the *THIRST* series and *REMEMBER ME*) Praise for *POSSESS*: With demons, secrets, and a butt-kicking heroine, *POSSESS* is a whole lotta dark and twisted fun! (Kimberly Derting, author of the *Body Finder* series) Praise for *POSSESS*: A dark, unique, and intelligent novel with frightening twists around every corner that left me breathless. (Courtney Allison Moulton, author of *ANGELFIRE*) Praise for *POSSESS*:

McNeil strikes a fine balance between outright scares and sarcastic humor[a] light, entertaining read.
