Von Connie Mason : Tender Fury (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tender Fury (English Edition):

Shockingly decadent!Von SusieI have read almost all of Connie Mason's books and love the many highly erotic sex scenes. In this book, I was disappointed that Phillipe could be so base as to passionately engage in sexual affairs with his mistress while claiming to have tender feelings for his wife until his indiscretion caused her to flee and miscarry their child. Then, he had the nerve to blame her. This is a hero you end up hating and doesn't deserve the heroine.

Unusually, these characters have active sex lives with and without their destined mate. Gabby tries to flee and is befriended and ends up sleeping with her friend, but it's plain it's just pity sex. Later, she's manipulated into a drug-induced masturbation and animal sex with the highest bidder. While Phillippe can't seem to keep it in his drawers no matter who's around and likes to flaunt it by taking his partner's scent home to torment his wife. It broke my heart. The skanky hero had no morals or tender feelings for his 'victim' wife during their trials. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A Keeper (even if you hate the hero) Von Ein Kunde I would have given the book 5 stars except for one thing- Philippe. He is one of the most hypocritical, mentally unstable characters I ever read about. He is constantly on poor Gabby's case. He puts her on a pedestal and then he saws it down. Throughout the novel he insults her, then apologizes- "Mon amour, I'm so sorry, I don't what came over me" (kiss kiss). It seems barely into the next scene that the abuse starts all over again. And he wonders why she keeps running away. I don't want to start on his philandering. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolle Unterhaltung Von eatheklalch Ich habe selten ein so spannendes und auch vom Inhalt her schlssiges Buch gelesen. Die Charaktere sind glaubwrdig und die Zeit Anfang des 19. Jahrhunderts sehr gut beschrieben. Sehr empfehlenswert.

Kurzbeschreibung Lovely young Gabrielle LaFarge had resigned herself to the life of a nun in a French convent. But the future that awaits her is far different, for she is informed that she is to marry Philippe St. Cyr, a wealthy plantation owner from the island of Martinique. Gabby resents and fears this handsome, moody man, whose icy surface conceals depths of passion and violence. Though he awakens her to the sensual delights of lovemaking, Gabbys heart remains untouched or so she believes. As for Philippe, she is certain that he is incapable of love. Constantly at cross purposes, separated by war and the conniving of Philippes jealous mistress, each tries to forget the other, But a bond has been forged between them that will serve at last to unite them in loves sweet, strange Tender Fury.
