Von Johanna Lindsey : Tender Is the Storm (Avon Historical Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tender Is the Storm (Avon Historical Romance):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Typical LindseyVon Ein KundeThis is a prime example of why I stopped reading Johanna Lindsey's books in the 80s. I would

hazard a guess that her fans like to read the same story over and over and over and over. What else would explain the huge sales for her books, when they are virtually identical? This book is just like *Fires in Winter*, which is just like *A Heart So Wild*, which is just like... Well, you get the idea. Face it: Ms. Lindsey writes by template. She uses one plot, changing only the details such as names, places, physical characteristics. The first time she wrote the plot, it was great, then she wrote it at least 10 times in the 80s alone, and probably more than that in the 90s. It wears thin. But, hey, the masses apparently like endless repetition. Personally, I'd rather read a writer who bothers to try different plots, not one who writes a formula every time. If I could give all of her books no stars, I would. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wonderful Reading Von Ein Kunde I enjoyed the creative story line in *Tender Is The Storm*. I thought Lucas was a kind but strong man. The love story between the two characters were well written. These two characters truly belonged together. This was a wonderful story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Her best ever! Von Ein Kunde The hero of this novel is one of my favorites in all of romance fiction. I'm usually able to spot or at least suspect when I'm being set up for the kind of surprise that is revealed about the hero at the end of this story, but I never did until I read it. I was only able to go back afterward and see where I SHOULD have noted that Ms. Lindsey had something special up her sleeve. Bravo, Johanna! "*Tender Is the Storm*" is one of the brightest jewels in your crown.

Kurzbeschreibung Headstrong heiress Sharisse Hammond wants no part of the New York society marriage that has been arranged for her. So she heads west across a vast and dangerous land -- with no intention of honoring her agreement to become the mail-order bride of a rugged Arizona rancher. But Lucas Holt needs a wife -- any wife -- if his plan to destroy his most hated enemy is to succeed. And this gullible Eastern lady would do quite nicely. However, their separate schemes to use one another are complicated by raw, aching passion. For Lucas's beautiful, unsuspecting pawn was not supposed to be so irresistible alluring. And freedom-loving Sharisse never dreamed she could ever desire one man so much! **Pressestimmen** "She creates fairy tales that come true." -- "Romantic Times" **Kurzbeschreibung** Headstrong heiress Sharisse Hammond wants no part of the New York society marriage that has been arranged for her.
