Von Mallory Crowe : Testing Luke (Devereaux Billionaires Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Testing Luke (Devereaux Billionaires Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super!Von lady970Received an ARC in exchange for an honest review".Eine spannende, kurzweilige Story mit der

richtigen Prise Erotik. Kein Cliffhanger. Ich liebe die Serie und freue mich auf den nächsten Teil.

Kurzbeschreibung Billionaire Luke Devereaux gets what he wants and what he wants right now is to bring down the shady organization threatening his family. Teaming up with the FBI is his only option--even if that option comes in the sultry Evelyn Price, the ice-princess who's all business. Refusing to be distracted by the sexy, rich playboy, Evelyn forces herself to stay focused on the case, gearing up for the criminal takedown of her entire career. As the enemy closes in with Evelyn as its next target, it's up to Luke to keep them out of danger. The more they work to protect each other, and fight for control, the harder it is to resist their undeniable attraction. And the one thing Evelyn has learned from working with him is that Luke Devereaux gets what he wants. Author's Note: This was previously book 6 in the Billionaires in the City Series (Testing The Boss). Since the last four books all focused on one family, I wanted to break up the series and make sure the Devereauxs really had their chance to shine.
