**Von Judith Pella : Texas Angel (Lone Star Romance Series #1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Angel (Lone Star Romance Series #1):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eagerly awaiting the sequel! Von ProneToWander Judith Pella is quite a writer! This isn't the first time she's used characters that a reader would consider "lowest of the low" (in this one it's a slave forced into prostitution, and an oh-so-egotistical preacher I just wanted to slap), managing to change them almost entirely by the story's end. These "total

turnarounds" her characters experience could come off as very contrived if done by a writer with less skill, but I've never found myself frustrated with Pella for trying to manipulate me--she does it so well that I'm into the story and forget it's "just some words on paper." Her latest is characteristically vivid, and I really enjoyed it--although I must put a "caution" and say that while Pella never stoops to the dirtiness of secular romance, she does go beyond the Janette Oke level. The worlds in her books are \*not\* all "peaches 'n' cream." Still, quite a good saga that had only a few drawn-out moments (I got a bit tired of the wavering emotions of both Benjamin and Elise in regard to each other). I will definitely read the sequel!

0 von 0 Kunden fanden die folgende Rezension hilfreich. A must read!

Von Ein KundeJudith Pella has crafted a master piece with this spectacular novel! Elise, thrown from a life of comfort and wealth to the lowly position of a slave when a condemning secret is revealed this young woman is forced to sell her self to save the life of her child. Benjamin Sinclair, a self-righteous and condemning preacher who feels called to ministry in Texas immediately deems her lower than the low. Watch as God works and preforms miracles in each of these peoples' hearts to bring them to a point of submission before Him so that His perfect plan can be manifested in their lives.

Von Bonnie McKinzieThis is the first time I ever read a Christian fiction book that made me want to give the preacher a swift kick in the pants! Although Benjamin considered himself called of God, he kept putting his religion and himself so high on a pedestal he alienated all the rest, even his wife and children. What a sad scenerio! I was spellbound as the story unfolded, showing God's marvelous grace to a a former prostitute slave, and the sad story of a preacher's wife. I am so happy I just found out there is to be a sequel!

KurzbeschreibungOn the Open Frontier of the Rio Grande, One Woman's Fledgling Faith Might Provide the Light of Hope to a Man of the ClothTexas Angel is a riveting tale that blends together the lives of the courageous pioneers with a poignant, graceful romance about a woman redeemed from a life of shame. You will not soon forget the heart-tugging story at the center of Texas Angel.Married into a successful family, Angela Toussaint Hearne thought the fact that her mother was a runaway slave could be hidden. When her secret is revealed though, the Hearne family disowns Angela and her infant daughter and she is left in great peril as the cruel slave owner who still holds her ancestors seeks to recover his lost goods. Captured, she is forced to make the journey to frontier Rio Grande as a slave. There she meets Benjamin Sinclair, a New England evangelist determined to convert the lawless Texans with a strong dose of brimstone and retribution. Angela, who discovers God through a borrowed New Testament, shows Benjamin that God may have a better way to draw the people of Texas to Himself.
