Von Fern Michaels : Texas Rich before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Rich:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A wonderful beginning to an incredible family sagaVon Tucson2kFern Michaels is the type of author whose vivid imagination and ability to create real and compelling characters translates to publishing gold. In TEXAS RICH, Michaels starts the reader on a journey with the young and naive Billie Ames Coleman to a place where her heart, her

courage and her beliefs will be tested -- Texas. The new bride of Coleman heir apparent Moss Coleman, we follow Billie through her acclimation to Texas and her new home at Sunbridge (the Coleman family home), her role as Moss' wife and the challenges she faces from her social-climbing mother, her gruff and demanding father-in-law and the events of the world around her. We see Billie grow stronger in heart, mind and belief as her children are born, her marriage to Moss changes and she comes into her own as a Coleman. This is an unforgettable novel that continues on in TEXAS HEAT, TEXAS FURY and TEXAS SUNRISE. A brilliant family saga from an incredible author. I highly recommend this book!

1 von 1 Kunden fanden die folgende Rezension hilfreich. This book is the best book ever written!!!! Von Shana Rampersad A friend of mine and I were in a book store one day and I was unable to find a book that I would be interested in reading. I wanted a book with romance, suspense, drama, originality, and with characters that clung to you until you finished reading the book. She turned to me and told me to buy Texas Rich. The book never left my side until I finished! Billie's life was written with such detail that anyone could've felt her pain. The bitter relationship between Billie and Moss had the reader yelling at the book, "Leave him!! He doesn't deserve you Billie!" The author did a splendid job at detailing the lives of the Coleman's. The family is the most original set of characters that I have read about in a very long time. I truly fell in love with the characters and have just bought the second book of the "Texas" series. I can't wait to start reading and join in on the Coleman's. In some strange way Texas Rich reminds me of the Thorn Birds. So if you've ever read that book buy Texas Rich. Please don't hesitate...BUY IT!!!! You'll love it!!!!!! Please let me know if you loved this book as much as I did!!

I read the whole series every other month and it really takes my mind off of things. I love the Colemans I feel like one of them, I love Thad there are not alot of men out there like him and if there is WHERE ARE YA???? I get so into them that I stop clubbing when I start reading them!!!!!!

Kurzbeschreibung One of those rare books, the kind the reader doesn't want to end. Green Bay Press Gazette The first in Fern Michaels' bestselling Texas series, Texas Rich introduces us to passionately compelling Billie Ames. . . Young Billie Ames was naive but a real knockout when she met Moss Coleman at the Philadelphia Navy Yard during World War II. Within a few months she was pregnant and married to him. It was a marriage that brought Billie--and her mother, Agnes--across the country to Austin, to a 250,000-acre spread called Sunbridge, and into the world of the Texas rich. Billie works to acclimate to Texas and her new home at Sunbridge, her role as Moss' wife, and the challenges she faces from her social-climbing mother, her gruff and demanding father-in-law, and the events of the world around her. We see Billie grow stronger in heart, mind, and belief as her children are born, her marriage to Moss changes, and she comes into her own as a Coleman--and a woman in her own right. "A big, rich book in every way. . . I think Fern Michaels has struck oil with this one." Patricia Matthews "A steaming, sprawling saga. . . As always, Fern Michaels writes a full story with bigger-than-life characters we would look forward to meeting." Romantic Times "Fine fare for Fern Michaels's fans!" The Philadelphia Inquirer 302,000 Words

Pressestimmen A big, rich book in every way, rich in characterization, rich in plot, and rich in emotion. I think Fern Michaels has struck oil with this one. PATRICIA MATTHEWS A steaming, sprawling saga . . . As always, Fern Michaels writes a full story with bigger-than-life characters we would look forward to meeting. . . . A rags-to-riches saga that would make a colorful movie. Romantic Times Talk about action! There is more in this epic than in five novels. And its fascinating, interesting, and exciting. One of those rare books, the kind the reader doesn't want to end. A real winner! Green Bay Press Gazette Fine fare for Fern Michaels's fans! The Philadelphia Inquirer
