Von Katie Graykowski : Texas Rose Forever (A Texas Rose Ranch Novel Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Rose Forever (A Texas Rose Ranch Novel Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Loved it!!!Von madeleine.sThis is another great book from Katie Graykowski.The chemistry between Cinco and CanDee is

amazing. The first meeting between them is just so funny, I laughed out so loud. I actually laughed so much while reading this book that I even got the hiccups. Both Cinco and CanDee had bad previous relationships and neither was looking for a new relationship. CanDee's previous boyfriend stole her novel and this book became a huge hit. He left her without her belongings and she had to move back in with her Wicca grandmother. Cinco, Lacy Kendall Lehman Rose V, was married before but his ex was only interested in the money and not in him. CanDee gets hired by Cinco's mother to write a family genealogy and since Cinco knows almost everything about his family history they start to spend a lot of time together and things start to progress from there. There is just one thing: I hope Phillip gets what he deserves (total humiliation) in one of the coming books.

Kurzbeschreibung Everything's bigger in Texas, and that goes double at the Texas Rose Ranch, home to the Rose family through five generations of toil, sweat, and scandal. From the moment CanDee McCain is hired to write a history of the Roses empire, she's bowled over by tall, sexy Cinco Rose. True, the man initially mistakes her for a stripper, but he certainly puts the man in manly. For the first time since her cheating ex left, stealing her novel-in-progress in the process, CanDee is ready to have a little fun. No woman has ever made Cinco feel both so at ease and so turned on. Since his divorce, he's preferred a saddle and solitude to risking his heart again. Yet something draws him to the fast-talking, leggy redhead. CanDee's not just sweet; she's smart and brave too. But her research is uncovering long-buried secrets that could jeopardize everything the Roses prize most and destroy a love that's just begun to bloom.
