**Von Elizabeth Bevarly : That Boss of Mine (Man of the Month)** before purchasing it in order to gage whether or not it would be worth my time, and all praised That Boss of Mine (Man of the Month):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a funny book! Von L. Ponder I don't do cute or funny books. Ha! I certainly would have missed a good book had I stuck by that criteria. While reading this book, I read passages to my husband ( he was trying to read his own book) and entertained him, as well. Audrey and Wheeler are fun characters. She's a disaster waiting to happen. He's decided she's his good luck charm. And she thinks they are in love. Resolving the charm/lover dilemma is the story's theme. Laughter, and sexy love scenes add to the mix. I really enjoyed Wheeler's verbal jousts with his conscience, the most.

A lot of entertainment, for the price of a small book!
