**Von Nick Pollotta : THAT DARN SQUID GOD** before purchasing it in order to gage whether or not it would be worth my time, and all praised THAT DARN SQUID GOD:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Just the right mixture!Von Ein KundeNick Pollotta ist hierzulande (im Gegensatz zu den USA, Grossbritannien und sogar Russland) noch nahezu unbekannt.- vllig zu unrecht !!!Das Buch That Darn Squid God ist sicherlich eine Lektre, sie man nicht mehr aus der Hand legen kann. Auf den ersten Blick passt das Setting im viktorianischen England passt nicht zwangslufig zu dem Fantasie-Abenteuerroman den das Buch darstellt.Allerdings ist es gerade diese Mischung,

die durch sehr detailliert beschriebene und damit wirklich zum Leben erweckte Charaktere dem Buch einen ganz besonderen Charme verleihen. Spannung Humor in einer meisterhaften Mischung - sehr empfehlenswert! - und jetzt wissen wir endlich was auf der 'dark side of the moon' so alles auf uns wartet ;-)

**Kurzbeschreibung**In the year 1881, the moon suddenly begins to turn around and reveal its long-hidden darker side to the startled world. While most of Humanity finds the event fascinating, two British explorers know the horrible truth. The rotating moon is the legendary sign that foreshadows the return of a prehistoric demon, the monstrous destroyer of Atlantis, an unkillable colossus known only as the deadly, dreaded Squid God. Racing around the world, and against the clock, Prof. Einstein and Lord Carstairs battle the fanatical legions of Squid God worshippers in a valiant effort to stop the ghastly rebirthing ceremony and keep the demonic mollusk locked in the stygian depths of its unearthly lair. Authors Nick Pollotta James Clay have lovingly crafted a splendid Fantasy/Adventure, heavily laced with their classic off-the-wall humor, and sprinkled with a light dusting of parody toward the legendary works of H.P. Lovecraft, H.G. Wells, Jules Verne, Sir Arthur Conan Doyle, and just about everything else from the golden glory days of Victorian England.

The finest comedy/fantasy I have read this year!" ETERNAL NIGHT SF MAGAZINE "Delightfully entertaining!" Robin Wood "It's not often a book of this nature comes along and you do not want to miss it.
