**Von Mackenzie Crowne : That Dating Thing (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised That Dating Thing (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fine romance with a good plotVon DoortalksMay I take a star down because the heroine did not married the guy I would love her to? I don't think so. She has a right to choose on her own, whether I, the public or her past likes it or not. That dating thing is exactly about this - fine romance about overcoming the past and odds. It has just enough characters to make it work and are described mostly from exterior - this is why I go down a star, I would have wished that the characters would be explored more deeply. Otherwise it was enjoyable read that kept me wishing to come back to the pages. The wit of the characters (in the book described as sarcastic) was dear to me and I felt satisfied on the end.

Good four stars novel!

KurzbeschreibungThe daughter of Wall Street's most notorious stock swindler, dog trainer Rylee Pierce has perfected the art of flying beneath society's radar. Prosecutor Cooper Reed is a threat to her carefully hidden truths, but how is a woman supposed to resist a man capable of handling a psychotic Great Dane while charming her out of her panties before she has the chance to blink?KurzbeschreibungThe daughter of Wall Street's most notorious stock swindler, dog trainer Rylee Pierce has perfected the art of flying beneath society's radar.
