FantasticVon AgiI didn't know that this book is the first in the series about Juliet and Rick and had a kind of deja vu feeling and though, what the hell, am I reading the same book ubder other title, but I guess reading the same author

over and over again just does this to you:)Nevertheless, it is again a heart - warming, funny book, a book that makes you laugh out loud and cry and this is really what I'm looking for in a book. Every time that I thought, well, nothing more can happen, the Joyces have already spent their limit of disasters and turned the page, well, there actually something happened, I have never seen a family so prone to accidents. Some of them funnier than the others, some really dangerous, but I was not bored for a second reading this book. Juliet is wonderful, Rick is so loving, he would do anything for his family, I missed a little Juliet's dad, Rita is hilarious and I always laughed reading the ping - pong conversation between her and Rick, the children are too adult to be so spoiled and my feelings to Chloe didn't change at all. I don't like her, point. I think I will never get enough of Carole Matthews. That's point here as well.

Kurzbeschreibung Juliet Joyce has been happily married to Rick for twenty-five years. But with two children who treat the house like a hotel, a mother who's moved in with them and a father who's announced a radical life change, Juliet and Rick have little time for themselves, let alone romance. And then Steven Aubrey returns. The same Steven who jilted Juliet on their wedding day twenty-six years ago. He ignites a passion in Juliet that she thought was long gone. Will Steven sweep Juliet off her feet or can Rick revive their marriage before it's too late? **Pressestimmen** 'Touching. Feelgood. Funny' (Heat) 'Matthews is one of the few writers who can rival Marian Keyes' gift for telling heartwarming tales with buckets of charm and laughs' (Daily Record) 'Carole Matthews writes of the travails of romance, relationships and motherhood with hilarity, tenderness and despair...a story loaded with laughter, tears and hope. This is one to share with your girlfriends'. (Adriana Trigiani) **Werbetext** Sunday Times bestselling and readers' favourite Carole Matthews takes you on a journey to find out how far you would go to keep the spark alight
