**Von Mary Anne Wilson : That Night We Made Baby (American Romance, 826)** before purchasing it in order to gage whether or not it would be worth my time, and all praised That Night We Made Baby (American Romance, 826):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mary Anne Wilson does it again!Von Ein KundeI always know I can depend on an emotionally-charged read with a Mary Anne Wilson book, and she sure doesn't disappoint with this new one. Neither Sam or Nick has seen the good side to love, so it's no wonder they have trouble believing in it or learning to trust. Each lived with their own code of honor, and I couldn't put the book down as they struggled to make sense of the sometimes conflicting messages from their hearts and heads. Add in a touch of trademark Mary Anne Wilson humor, and you've got a real winner!0 von 0

Von Ein Kunde  
I always love Mary Anne Wilson's books, but this one seemed to have an extra dose of magic. The hero really doesn't seem to believe he's capable of love...or that he knows what love is...but he shows it to us (and the heroine) in so many ways. Couldn't put it down. Thanks for a terrific read, MA Wilson!

Kurzbeschreibung  
Finally she turned and Nicholas saw Samantha's face. Her eyes were as he remembered, her hair just as soft. The months they'd spent apart fell away and Nicholas ached to touch this woman he could no longer claim as his own but had never stopped longing for. As his gaze met hers, Samantha's expression became shuttered. And as he glanced down her body, he realized why. This woman who had haunted his dreams was visibly pregnant. Suddenly Nicholas's thoughts turned away from longing to a desperate need to know. Whose child did she now carry? And had some of his hazy dreams been true had there been a night they made baby?
