Von Pamela Browning : That's Our Baby! before purchasing it in order to gage whether or not it would be worth my time, and all praised That's Our Baby!:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good bookVon SnoopyfanI've read many books about the beauty as well as the danger of life in Alaska. This book brings both elements together. When Sam and Kelly struggle to get out of the interior before the snow falls one is reminded of the danger. The beauty of Alaska is only a background. The story unfolds about the beginning of love between Sam and Kelly and the child they share. Once Sam knows Kelly is pregnant he knows it is his child. He realizes that to tell the young widow that he was the donnor would do either any good. When Kelly finds out there is the struggle between

the heart and the head. In the end Kelly, and Sam also, realize they belong together.

Kurzbeschreibung Sam Harbeck needed his best friend's widow to give him back what was his: the rights to the deposit he'd made to a sperm bank. He'd come to Alaska to get her signature on the release form. But he was too late Kelly Anderson was already pregnant with his child! Sam expected a fight from the ever-willful Kelly, but he didn't anticipate his own overwhelming desire for her or the emotions her impending motherhood evoked in him. Being snowbound together only intensified his demanding need for this woman. Could he have arrived just in time to be a father to their baby?
