Von J. S. Lewis : That Very Crazy Thing We Call Love (The Jamaican American Thug Drama Saga Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised That Very Crazy Thing We Call Love (The Jamaican American Thug Drama Saga Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 starsVon The Wizard of OzAnother great novel by J. S. Lewis. The author's work has a grittiness that only a black author can truly achieve (similar to the great black jazz singers singing and playing jazz and rhythm and blues). And please don't talk to me about bringing color into the review because I don't really care what people say. I just know us white entertainers don't do this kind of entertaining quite as well :D0 von 0 Kunden fanden die folgende Rezension hilfreich. The course of gay love never runs smoothVon ConvokeJ.S. Lewis continues to plow new GLBT ground with his Great American Thug Drama Saga Book 4), "That Very Crazy Thing We call Love." You can read this book without having read its predecessors, as long as you keep in mind this is erotic GLBT romance at its most raw and modern, for adult readers only. Street vernacular of the 21st century has never had it so good.Lewis' tale of forbidden love continues in Book 4 to follow Dre and Jevaughn's love affair turns tense with jealousy and high drama. As always, this series abounds with blood, violence, and life-changing events.If street-tough gay romance is your cup of tea, you'll find this story spellbinding, sometimes moving, always intense -- a fine addition to The Jamaican American Thug Drama Saga.High recommended for lovers of its genre.0 von 0 Kunden fanden die folgende Rezension hilfreich. Crazy Thing Called LoveVon Thomas Baker"That Very Crazy Thing We Call Love", by J. S. Lewis is brilliantly executed. The reading actually starts outside of the book, with the attractive cover artwork. A broken heart, perhaps on the mend, with a patch on it, is being cradled in a pair of lovingly cupped hands. With the title and the cover in harmony, you open the pages of this book looking for one thing, love. You find love, for this author is consistent. He fulfills the readers expectation with a finely crafted tale, with twists and turns that build up to a crescendo in its climactic elements. If this is your genre, look no further, you will be pleased with what J. S. Lewis has to offer between the covers of this delightfully delicious book.

Kurzbeschreibung"Love is a temporary madness"It's hard enough to work with someone you don't like, and harder still for them to be both a business rival and your ex's current lover. This pretty much sums up theDreandKraigierelationship, a fragile one that's abruptly thrust further out of balance when things heats up within the triangle when a drunkenJevaughnis caught kissing an unsuspecting Kraigie.The tensions between the two rivalsflareand future business deals arejeopardizedbut all goes on temporaryhaltwhen Jevaughn's life becomesendangeredat a party gone wrong, and a betrayal within the circle causes dire consequences and one powerful aristocratic Jamaican family, thirsting for revenge, puts one gang against another along with bribing lawmen into helping cleaning up the mess. DreandJevaughn'srekindle love tale isplaguedwithtensions; jealousy, high drama, depression, blood, violence, hard and fast decisionsand a spur ofeventsthat will dramatically change their lives forever.
