KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.a surprisingly erotic moving adorable RomanceVon Bianca @BJsBBZoey just lost her brother Zachary - Z. He died at the young age of 27. And he's not the first one in their family history to die at that exact age. Their mom, grandfather and a few other people, a few generations back, also died at the age of 27. And now Zoey just can't handle her life anymore because she's so afraid to die. She's afraid the family curse will kill her very soon.But then she goes to

Florida, to take care of her brother's belongings and to find out if he was at least happy with his life there, knowing he might die soon.....and that's where she meets Nate. Her brother's best friend. Instant attraction on both sides. Could this hot guy finally be someone who makes her want to fight to survive this year? But Nate is not without his own problems.... will he be able to help Zoey fight for their life? And what kind of secret life was her brother hiding in Florida? Nothing really makes sense.... WHAT WILL HAPPEN TO ZOEY NATE??? WILL EVERYBODY SURVIVE THE BOOK? WILL THERE BE A CLIFFHANGER??? NOPE . . . I'm not telling you I don't want to spoil anything.... I REALLY LOVED THIS BOOK! I wasn't really sure what to think of the book once I read the blurb....and saw the cover. Because both blurb and cover are totally weird...they don't really fit with the story in my opinion :/ At least in the beginning of the story Especially the shushing mouth on the cover? It looks a bit like weird porn meets Pretty Little Liars But yeah - after reading more, the secret part makes a bit more sense - but still the cover is not really gonna make it on my favorite list And another tiny little thing that I didn't like - but that's just my own weirdness - I don't like Florida - I don't want my books to be set in Florida :(It's just so hot and humid and I'm sweating just reading about it :/ But I really liked the story. First we meet poor Z - who obviously dies - which we already find out in the blurb.... And which is really sad, because we could've really fallen in love with him :/ Then we get to hear about Zoey's problems via her therapist. And then Zoey finally starts with her POV. She wants to clear out her brother's house in Florida - only it's not really his house - he lied a bit about everything.... The house belongs to Nate. And while Nate is showing her Z's favorite places and a bit more about her brother's life, the both of them kind of fall in love with each other.... But Zoey doesn't want that really, because she believes she's dying soon. And Nate - he has his own demons and reasons for why a relationship with his best friend's sister is not something he should want. But of course both of them not really wanting it, doesn't stop them from doing it It's a really interesting story.... with lots of things happening at once. Zoey trying to survive another year - Nate trying to keep her from getting too close and the whole secrecy about Z's life...and how Nate Zoey try to get to the bottom of it all. And so much more. I really enjoyed reading it... THE 27 CLUB was a surprisingly erotic moving adorable Romance! I totally fell in love with Nate Zoey!!!

Kurzbeschreibung From the New York Times Bestselling Author of the Connections series comes an exciting and passionate new romance.... Janis Joplin. Kurt Cobain. Amy Winehouse. Zachary Flowers. I always knew my brilliant brother would one day be listed among the great artistic minds of our time. I just didn't know he would join the list of exceptional talents who left us too young, too soon. I was always the calm one, the perfect foil to his freewheeling wild spirit. But since his death shortly after his 27th birthday, I'd found myself adrift and directionless. I knew it was time to face my destiny, and I was ready to yield. But then I met Nate, Zachary's best friend. Only he could help me put the pieces together, fill in the blanks that Zachary left behind. I needed him to answer my questions--and I wanted him for more. He awakened in me a sensuality that had never been explored, never satisfied. Nate's presence controlled me, his touch seared me, and it was up to me to convince him that he was brought into my life for a reason.... NO CLIFFHANGER ENDING. THIS IS A STANDALONE ROMANCE.
