Von James Patterson, Maxine Paetro : The 5th Horseman (Women's Murder Club) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The 5th Horseman (Women's Murder Club) (English Edition):

Wie gewohnt Von Cheswick Der Women's Murder Club ist also wieder unterwegs und wie gewohnt gehts um Psychokiller, scharf denkende Frauen und Gefhle. Patterson beherrscht dieses Genre. Lindsay Boxer muss sich um setstame

Todesfälle in einem Spital in San Francisco kümmern, in denen u.a. auch die Mutter ihrer Freundin Yuki gestorben ist. Dabei stößt sie auf mysteriöse Einzelheiten und macht eine furchtbare Entdeckung. Wer des Englischen einigermaßen mächtig ist, versteht Pattersons Sprache ziemlich gut und die kurzen Kapitel helfen dabei ebenfalls. Fazit: Unterhaltsame Spannungselektre. Ich freue mich auf den nächsten Band, "The 6th Target". 3 von 3 Kunden fanden die folgende Rezension hilfreich. "The 5th Horseman" Delivers! Von Ein Kunde I was so excited to get an advance copy of "The Fifth Horseman!" I have been a fan of the Woman's Murder club series since the first book. This time out Lieutenant Lindsay Boxer is helped by the newest member of the Club, Yuki Castellano, to look into a series of strange deaths occurring at a local hospital. Patients dying just prior to release from the hospital. The Mysterious deaths have been looked into by Specialists from around the nation, but no answers come forth. Are these strange deaths just a terrible coincidence? Or is there some maniac playing death angel? The investigation is hamstrung by the hospital administration which fears the truth may ruin its reputation. Of the 5 books in the series I thought this was the most suspenseful. Paetro/Patterson prose is clean and direct, he does not waste time on unnecessary descriptions but sticks to the heart of the story (I actually should be giving credit to Maxine Paetro as I have a feeling she wrote most of this book). If you do like this style of writing in your thrillers I also recommend "Tourist in the Yucatan!" 2 von 2 Kunden fanden die folgende Rezension hilfreich. Buy one, get one free! Von Wombatsbooks Petro and Patterson go Grisham and Cook with this one and they do it very well! The front cover promises an irresistible hospital and courtroom thriller and for once this promise was kept (therefore buy a copy and get two thrillers for the price of one ;-)): The 5th Horseman to me was the most intense and thrilling one from the Womens-Murder-Club series yet: It is a quick very satisfying read, because it is fast-paced action combined with flawless story-telling and enough twists and turns to keep you guessing the madperson's identity until the very end! Result: Unputdownable! All you Patterson-fans out there get yourselves a copy and settle down for a long night of very suspenseful reading....

Kurzbeschreibung A young mother is recuperating in a top San Francisco hospital when suddenly she's gasping for breath. The call button fails to bring help in time. How and why did this happen? With help from the newest member of the Women's Murder Club, Yuki Castellano, Lieutenant Lindsay Boxer discovers that this is not the hospital's first suspicious case. Other patients have taken unexpected and devastating turns for the worse just as they're planning to go home. Are these just appalling coincidences? Or is a maniac playing God with people's lives? When someone close begins to exhibit the same terrifying symptoms, Lindsay fears no one is safe. In a wild race against time she must fight an administration determined to shield its reputation even if it means hiding a killer... **Pressestimmen** Patterson knows where our deepest fears are buried... There's no stopping his imagination. **New York Times Book Werbetext** The 5th Women's Murder club thriller from Sunday Times number 1 bestselling author James Patterson
