Von Graham Masterton : The 5th Witch (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The 5th Witch (English Edition):

KurzbeschreibungHow do you fight criminals who arent human?From Graham Masterton, the bestselling author of the Katie Maguire series, comes an unputdownable story of a deadly alliance between L.A. gangsters and terrifying witches...A ruthless new crime syndicate holds Los Angeles in a grip of terror. Anyone who opposes it suffers a horrible death but not at human hands.Bizarre accidents, sudden illnesses, inexplicable and gruesome deaths: the

mobsters will stop at nothing to eliminate their enemies. Every bloody step of the way, their companions are four mysterious women, witches who wield more power than the gangsters could ever dream of. With the help of his mysteriously gifted neighbour, Annie Conjure, Detective Dan Fisher must fight both the LAPD's scepticism and this chilling new power. And at the heart of the nightmare lies the final puzzle, the secret of The 5th Witch. For readers of Angela Clarke, Peter James and Stephen King, this gripping novel from the legendary Graham Masterton will leave you reeling. Praise for Graham Masterton: One of the most original and frightening storytellers of our time. Peter James: 'A true master of the horror genre'. James Herbert: 'A masterly plotter who evokes both terror and suspense'. Library Journal: 'A mesmerizing storyteller!'. Publishers Weekly: 'The living inheritor to the realm of Edgar Allan Poe'. San Francisco Chronicle: 'Masterton is a crowd-pleaser, filling his pages with sparky, appealing dialogue and visceral gore'. Time Out: 'From Publishers Weekly: Black magic, mobsters and evil witches hold La La Land hostage, making Masterton's latest batch of chills and chuckles (Prey) scarier than a writers' strike. Along with most of the city, Det. Dan Fisher, West Hollywood Homicide Division, is horrified as international crime czars take over law enforcement in a bloody coup with the spooky aid of the Quintex of 350-year-old witch Rebecca Greensmith, who's able to be in five places (and bodies) at one time. She's backed up by a Haitian witch, Michelange DuPriz, who works for the zombie Jean-Christophe Artisson; by Miska Vedma, a Russian witch helping White Ghost Vasili Krylov; and by others. Haunted by the death of his wife, Gayle, three years earlier, Dan lives next to good witch Annie Conjure, who pitches in. Rebecca's malevolent forces kill some of L.A.'s A-list, and Dan will stop at nothing to save his fair city and put an old ghost to rest. Masterton, a veteran horror author notable for his dark humor and snazzy plotting, pulls off yet another clever thriller. (Apr.) Copyright Reed Business Information, a division of Reed Elsevier Inc.
