Warren Bcher ein absolutes Muss, vorallem wenn man wissen will was zwischen den Bchern passiert ist. Trotz der krze des E-Buchs absolut empfehlenswert und spannend mit unerwarteten Wendungen und tollen Charakteren. Nur schade, dass es so kurz war.1 von 1 Kunden fanden die folgende Rezension

hilfreich. gute kurze Story fr kleines GeldVon vannyGute Story zwischen den eigentlichen Bchern. Dann weiss man wenigstens, was mit D.D. passiert, wenn sie hoch schwanger ist. Hat mir fr zwischendurch sehr gefallen.

KurzbeschreibungSunday Times bestseller Lisa Gardner's first novella, THE 7TH MONTH, takes readers into an eventful day in the life of Boston Detective D.D. Warren. Featuring an extract from CATCH ME. D.D. should be taking it easy in the seventh month of her pregnancy. Instead, she accepts a small consulting role on the set of a serial killer film, thinking that serving as a police expert and making a little extra money may make her feel more useful than she's felt for a while. A simple task, until a crew member is found beaten to death. Suddenly, D.D.'s date with Hollywood is serious. Extremely pregnant, on the trail of a killer and surrounded by a hundred and four murder suspects, D.D. must quickly unravel a tangled web of lies. As another cast member is attacked, D.D. realizes that like it or not, her priorities have changed - and her last desperate hope is that she can catch a killer before she and her unborn baby pay the ultimate price.
