Absehbar und total langweiligVon ConcettaDer Titel "The Accidental Husband" hrt sich zwar amsant an, das Buch selbst ist aber frei von jedwedem Humor, absehbar von der ersten bis zur letzten Seite, eine Anhufung langweiliger Cliches ohne jede berraschung oder Tiefe. Kurzum langweilig und berflssig.0 von 1 Kunden fanden die folgende

Rezension hilfreich. Wieder mehr Glam-Faktor, das 'Erwachsene' aber bleibt Von Dori Der neue Roman von Jane Green gefällt mir besser, als die zuletzt erschienenen. Er hat wieder etwas mehr ChickLit-Charakter, etwas mehr Glam-Faktor, auch wenn der Schreibstil so erwachsen bleibt wie zuletzt. Die Handlung ist ernst, verbindet aber das Leben der 'Schnen und Reichen' mit den 'normalen' Menschen. Die Frauen und ihre Gefühle stehen im Mittelpunkt. Perfekt für den Sommerurlaub. 0 von 1 Kunden fanden die folgende Rezension hilfreich. same as family pictures Von meiner lerntherapie A really gold book, but be careful not to buy family pictures, because it is the same! I gave it to my sister, so now we have both got it, just different titles :-)

Kurzbeschreibung Jane Green's *The Accidental Husband* is a powerful story about two women connected by an earth-shattering secret. Maggie and Sylvie are perfect strangers: two very different women, living very different lives on opposite coasts. But they share more in common than they could ever imagine. Both women have beautiful children on the verge of flying the nest, the home they worked hard to build and always longed for, and a handsome and devoted husband they can't believe belongs to them. Both women think their lives are seamlessly secure, but they couldn't be more wrong . . . For each is about to discover a secret that will shake their world to the very core, throwing into doubt everything they ever thought they knew, and bringing Maggie and Sylvie together in the most unexpected way. Praise for Jane Green: 'A heartbreaking tale of love and family, truly compelling' *Closer* 'Compulsively readable. I raced through it' *Daily Mail* 'Green is women's fiction royalty . . . a compelling family drama' *Glamour* Jane Green's internationally best-selling novels, including *The Other Woman*, *Jemima J.*, *Babyville*, *Girl Friday* (published as *Dune Road* in the USA), *Life Swap* (*Swapping Lives*), *Spellbound* (*To Have and to Hold*), *The Beach House*, *Second Chance*, *Straight Talking*, *Mr. Maybe*, *Bookends*, *The Love Verb* and *The Patchwork Marriage* (*Another Piece of My Heart*) are incredibly moving and extremely relatable. *The Accidental Husband* is Jane's fourteenth novel. She lives in Connecticut with her husband and their blended family of six children. *Pressestimmen* Riddled with coincidences and unlikely secrets, Green's latest still manages to explore complex family dynamics with warmth. *Kirkus* s 'This gripping story is ultimately one of redemption. Green's many fans won't be disappointed, and this would be an excellent choice for readers who enjoy the fiction of Jennifer Weiner or Marian Keyes. *Library Journal* In her latest, Green takes a clear-eyed look at our idealized notions of love, family, and motherhood Green is at her finest with this compelling novel. Deeper, more complicated, and more ambitious than her previous books, it will keep readers on edge as they wait to see how these tense family dynamics play out. *Library Journal* (starred review) on *Another Piece of My Heart* Fans of Green's female-centric bestsellers will relish this latest family melodrama, in which a single woman finds the perfect man and plans her happily-ever-after. Green paints a clear-eyed portrait of the challenges of stepparenting, while offering hope that in even the most damaged relationships, dreams can come true. *People* magazine on *Another Piece of My Heart* An ambitious, at times devastating, and always wise novel that conveys the endless ways in which family both destroys us and saves us, very often at the same time. Jonathan Tropper, bestselling author of *This is Where I Leave You*, on *Another Piece of My Heart* Green ramps up the emotional stakes. *Kirkus* s on *Another Piece of My Heart* A gripping story about motherhood. Kate White, editor-in-chief, *Cosmopolitan* magazine, on *Another Piece of My Heart* Jane Green surpasses herself in her latest novel, a powerful and moving story of a family on the edge of emotional wreckage, and how love truly can--when combined with strength, patience and a little bit of grace--conquer all. I flew through it, unable to sleep until I knew how it turned out. That's how much she made me care. Dani Shapiro, bestselling author of *Devotion*, on *Another Piece of My Heart* Jane Green writes of true love, instant families and the heartache of happily ever after with skill, grace and wisdom. You will laugh and cry as you read Andi's story, and you'll be inspired to pick up the phone and call your best friend to read a scene aloud. It's that good. It's that riveting. It's essential reading for the modern woman looking for connection and escape.
