Von Lynsay Sands : The Accidental Vampire: An Argeneau Vampire Novel (Argeneau Vampires) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Accidental Vampire: An Argeneau Vampire Novel (Argeneau Vampires):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Neues

von den Argeneaus Von Sabrina Auf ihrer Website schreibt die Autorin, dass sie auf vielfachen Wunsch einmal eine ltere Frau mit einem Vampir zusammenbringt. Als ich das las, war ich zunchst skeptisch, muss aber im Nachhinein sagen, dass es wirklich gut funktioniert hat. Elvi ist ber sechzig, als sie nach einem Autounfall als Vampir wieder zu sich kommt. ("Accidental Vampire" ist hier wrtlich zu nehmen!) Elvi hat Glck im Unglck, denn ihre Freundin, die bei dem Unfall dabei war, kmmert sich hingebungsvoll um sie und sorgt dafr, dass die gesamte Kleinstadt, in der beide leben, Elvi untersttzt. Dann allerdings geht die Untersttzung zu weit, denn die Kontaktanzeige, in der eine Vampirin einen Partner sucht, bringt Victor Argeneau auf den Plan, der im Namen des Vampirrats die Gesetze desselben aufrecht erhlt und, durch eine Kontaktanzeige Aufmerksamkeit zu erregen, ist ganz bestimmt nicht im Sinne der sonstigen Vampirbevölkerung. Als mglicher Partner lernt Victor Elvi kennen und entdeckt schnell, dass die Kontaktanzeige ihr geringstes Problem ist. Wie die meisten Argeneau-Romane ist auch "The Accidental Vampire" witzig, berraschend und unterhaltsam. Einiges allerdings strapaziert die Glaubwrdigkeit doch gewaltig. Nicht nur, dass eine gesamte Kleinstadt anscheinend keine Probleme mit der unter ihnen lebenden Vampirin hat und keiner diese Tatsache an die groe Glocke hngt, auerdem finden die anreisenden Vampire gleich reihenweise Lebenspartnerinnen in dieser Stadt, was einen vermuten lsst, "dass es vielleicht am Wasser liegt", wie auch einer der Charaktere im Buch sagt. Fans der Serie werden auf diesen Band natrlich nicht verzichten wollen, Einsteigern seien jedoch die frheren Bnde empfohlen (beginnend mit "A Quick Bite"), in denen die Glaubwrdigkeit nicht ganz so berstrapaziert wird. 0 von 0 Kunden fanden die folgende Rezension hilfreich. How to become a vampire without being bitten? Von Magritte "The accidental Vampire" is the 7th book of Lynsay Sands Argeneau novels. The book can be read as a standalone, but if you have read the previous books it is nice to find cross the previous characters again. Victor is an old vampire 5born 230 B.C. and he is on a mission: to discover who this Vampire is, who endangers their species by advertising in the Wanted Items ads of a newspaper: seeking for a male vampire for a possible love connection and if necessary to bring her before the council. Elvi Black has woken up after an accident biting her best friends neck and moreover as a young woman. This was quiet a shock for the 60 year old lady. Now she has become the vampire of her small town, loved by everybody, learning from movies and literature how to live and doing everything to please their friends even accepting to meet the male vampires they found for her. I laughed a lot during this book which was a fun lively novel. I stop reading this series a while ago because it started to lack new ideas and when I took this book everything I liked in the first books was here again and even more... I also liked not having a 25-30 year old woman as main character, which was a nice novelty I hope you will enjoy it as much as I did. MBTM 0 von 0 Kunden fanden die folgende Rezension hilfreich. Small-town fangs Von Helen Hancox "The Accidental Vampire" is another of Lynsay Sands' Argeneau Vampire series, this time focussing on Victor, one of the oldest of the family and a widower. Victor finds himself travelling to the small town of Port Henry with his friend and fellow vampire DJ in response to a female vampire's lonely hearts advert. Not that Victor is responding as a prospective suitor - instead he is going as a Council representative to decide what to do about this vampire woman who's breaking laws of secrecy, and that might involve having her killed. When Victor and DJ arrive they realise the situation is a little more complex. Three more single vampires turn up in response to the advert and it's clear the entire town knows about and loves Elvi, the female vampire. It's also clear she has no idea about what being a vampire means and has gained all her information from the film version of Dracula; She doesn't realise that she can eat food, go out in daylight, sleep in a bed not a coffin and more. Most of the book seems to be about Elvi learning the true nature of her vampire status whilst the four 'suitors' and DJ follow her around, trying to keep her out of trouble and wondering whether they are her 'lifemates'. But someone seems to be attacking Elvi with arrows and it's up to them all to look after her and to try to find out who is trying to kill her. This book is rather similar to several of the other Argeneau Vampire books in that the entire content of the book is pretty much about the new vampire learning what it means to be an Immortal. It's particularly noticeable in this book where we have Elvi learning to drink out of blood bags, learning some of the laws, finding out about things she can still do and still playing her part in the community of Port Henry. The love story between Elvi and Victor is sweet enough but not particularly deep and Victor's attitudes towards Elvi are sometimes a bit suspect. However it was an enjoyable read and some of the characters are amusing, if rather cardboard-cutout. Originally published for Curled Up With A Good Book Helen Hancox 2008

Kurzbeschreibung FATE GAVE HER FANGS ... Ever since an accident turned her into a knockout vamp, Elvi Black's been catching her z's in a coffin, staying out of the sun, and giving up garlic. She knows there's more to being undead than what she saw in Dracula, but she can't very well ask her mortal friends about proper biting etiquette. But when her neighbors placed a personal ad for her in the local paper, she never imagined she'd meet Victor Argeneau, a vampire who could have his pick of women - dead or alive. HE'LL SHOW HER HOW TO USE THEM ... Rich, powerful, and drop-dead gorgeous, Victor's the perfect man for a novice neck-biter like Elvi. He's willing to teach her everything he knows, but he'll have to do it fast. Someone's out to put a stake through her new vamp life, and only Victor can keep her safe - and satisfied - for all eternity. Werbetext Fate gave her fangs, but only Victor Argeneau can
