Von Carla Kelly : The Admiral's Penniless Bride before purchasing it in order to gage whether or not it would be worth my time, and all praised The Admiral's Penniless Bride:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. My favorite by Kelly (I think)Von Nimaniasally Paul is down to her last penny. As she spends it on a cup of teato stave off being at the mercy of the workhousethe last thing she expects is an offer of marriagefrom a complete

stranger! Admiral Sir Charles Bright's seafaring days are over and according to society, that must mean he's in need of a wife! Discovering Sally's in need of a home, he offers a solution. Desperate, Sally agrees to a marriage of convenience. But it soon develops into something more... It's just beautiful to read how the two characters fall in love with each other. It doesn't happen overnight, it is tender and sweet. But of course the secret Sally keeps from her husband threatens their happiness. I cry every time I read this book (and I've done so three times in the last year), it's so beautiful. The characters come alive with Carla Kelly's writing, it puts you right into the time period just following the Napoleonic war and the first time I read the book I couldn't put it down before finishing it in one session. If you're looking for a sweet historical romance, all I can do is recommend 'The Admiral's Penniless Bride'. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schn! Von Bunny Rabbite Ich lese sehr gern Regency-Romane und da stt man sich schon sehr hufig den Zeh an schlecht geschriebenen, lieblosen Bchern mit dem immer-gleichen und dann auch noch schlecht ausgefhrten Schema. Gibt es dafr vielleicht irgendwo Baukasten? Die Bcher dieser Autorin fallen endlich mal wieder sehr positiv auf. Das sind glaubwrdige Charaktere, liebenswrdig und echt. Ich kann dieses Buch nur empfehlen - Regency wie es sein muss, witzig, charmant und interessant. Auf jeden Fall ausprobieren! 2 von 3 Kunden fanden die folgende Rezension hilfreich. Very good start and middle but bad melodrama at the end Von sabine1963 I liked the first 85% of this book very much as it described two people who are trying to make the best out of a marriage of convenience. Had the book staid in this style up to the end I would have given 5 stars. However -SPOILER AHEAD the situation described towards the end when the admiral finds out who his wife's first husband was does not tie in with the rest. Without waiting for her to explain he flies in a rage even throwing things at her. She, on the other hand, never took the step to inform him when the topic comes up, after explicitly preventing him from learning her name during the marriage ceremony. The servant who brings up the whole lie is dismissed for his activity which to me is shooting the messenger. The two main characters, which had so far been described as mature people with some sense of humour, behave like teenagers, with him drinking himself into a stupor, but never having the idea to put notes into newspapers to look for his wife and with her hiding in plain sight but not having the courage to inform him that she is pregnant. Considering the behaviour of the admiral when he learns the identity oof his wife's first husband I find the dsimissal of the servant extremely unjustified. The whole end left a bad taste in my mouth.

Kurzbeschreibung Sally Paul is down to her last penny.
