**Von Valentina Stickley : The Adoptee's Tale: The healing power of storytelling (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Adoptee's Tale: The healing power of storytelling (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eindrucksvoll!Von CharlotteValentina Stickley erzht ihre Geschichte als adoptiertes Kind. Sie beschreibt eindrucksvoll, wie die Ablehnung und Zurckweisung und der psychischen Missbrauch, den sie von der Adoptivmutter erfuhr, tiefe Spuren in ihre Seele hinterlassen hat. Und man leidet mit ihr, wenn sie kmpft, um diese negative Prgungen zu berwinden. Ich denke, dass manche Adoptivkinder, sich in ihren Erfahrungen teilweise wieder erkennen, und dass anderen LeserInnen neue Aspekte des Adoptiertseins nher gebracht werden.Man merkt ab und zu, das Englisch nicht die Muttersprache der Autorin ist, aber die Lektre ist spannend und rhrend.

KurzbeschreibungMartinas Powerful and moving journey in search for identity and unconditional love.Martina always knew she was adopted, but throughout her 30 years, the question "where did I come from? gets too hard to deal with. Especially when she is plagued by the voices of the demons in her head who question, confuse and challenge her.An emotional adventure that will inspire the reader to view parenting in a new light.Captivating and heart-warming, this book raises serious thoughts about the underlying principles of how adoption is decided and managedand how these external choices ultimately impact on the child.KurzbeschreibungMartinas Powerful and moving journey in search for identity and unconditional love.Martina always knew she was adopted, but throughout her 30 years, the question "where did I come from? gets too hard to deal with.
