Von Customer Robin Hood is there in full colour But where was Marion? A grand romp through Sherwood forest, with action scenes galore, with trickery in the right places and with enough eating, drinking and being merry to piece the whole thing together. Never a boring moment, but the absence of any females was notable, and of the two who get any kind of attention, one betrays her King (but it's all in a good cause, I suppose)

whilst the other betrays... but let us not spoil the fun too much. A beautiful read, with all the characters coming to life, in Ye Olde Englande. Ingram As a child we just had a radio and books, no TV, no computer or Handy so we became lost in the words which were printed and this book was one of my fav's. Now I can read it on my smart phone, who could ask for more! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Der Kinderbuchklassiker, schn zum Schm kern. Von Markus Scheuer Der Kinderbuchklassiker, schn zum Schm kern. Fr mich war das wohl die erste Begegnung mit Robin Hood - wenn man von der Verfilmung mit Eroll Flynn einmal absieht.
