Von Jim Butcher : The Aeronaut's Windlass: The Cinder Spires, Book One before purchasing it in order to gage whether or not it would be worth my time, and all praised The Aeronaut's Windlass: The Cinder Spires, Book One:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hell yeah!!!Von Daffyd anDubh ap GwynnI bought this book out of sheer boredom and because it was cheap.(and besides that I liked the Dresden Files). Well, f.... me sideways with a baseball bat if that wasn't the best decision to make. It

has humor, the action was sound and absolutely not a single moment of annoying and tedious pagegrinding(not sure that's a word at all) that is so common in most steampunk or fantasy novels. Gimme more!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. J.B. what else?Von -KundeManche schrieben, das htte man alles schon gelesen. Und ja, der Vergleich zu Furrys of Calderon liegt nahe. Nichts desto trotz lsst das Buch einem nicht los, ich hab's in 2 Tagen gelesen! Spannend, emotional und mitreierend! Und die Luftschlachten stehen den Schilderungen der Seeschlachten in den Bchern ber Horatio Hornblower in nichts, aber auch gar nichts, nach! Klare Empfehlung fr schlaflose Nchte! !!0 von 0 Kunden fanden die folgende Rezension hilfreich. FaszinierendVon drulakWieder ein auergewhnlich faszinierender Plot von Jim Butcher. Und hnlich wie bei Codex Alera schafft er es spielend, dass einem die Charaktere so ans Herz wachsen, dass man einfach mitlachen und -weinen muss und einem das Herz blutet bei dem Gedanken, dass irgendwann Schluss sein wird und die Figuren ganz langsam zurckfallen werden von der Gegenwart in die Vergangenheit...

Kurzbeschreibung'Great action scenes, a fascinating world, and characters of a sort I've never seen before. This is everything I've come to expect from Jim Butcher, but in a delightful new flavour' PATRICK ROTHFUSS'Beware fellow readers, herein lies adventure that will keep you from food or rest . . .' PATRICIA BRIGGS Jim Butcher, the number one bestselling author of The Dresden Files, begins a new series set in a gloriously imagined world of noble families, marvellous technology and magic-wielding warriors. Since time immemorial humanity has lived inside the Spires, habitats towering for miles over the dangerous, monster-inhabited surface of the world. Captain Grimm of the merchant airship, Predator, was dismissed from Spire Albion's military in disgrace - now his ship and crew are all he has, and he's fiercely loyal to both. When the Predator is severely damaged in combat Grimm has only one choice - take on a clandestine mission for Albion's leaders, or stay grounded for good. And even as Grimm undertakes this perilous task, he will learn that the conflict between the Spires is merely a premonition of things to come. Humanity's ancient enemy, silent for more than ten thousand years, has begun to stir once more. And death will follow in its wake . . . PressestimmenThis is Jim Butcher at his best, drawing a fully realized, richly detailed, and downright fun literary world where fearless aeronauts ride the aether, brilliant wizards struggle with doorknobs, and a thirty-pound feline warrior keeps a pet human named Little Mouse. It's steam-punk meets magic with a dose of sci-fi for seasoning. Buy it and read it. You'll be glad you did! -- New York Times bestselling author David Weber Wow. Just wow. Beware fellow readers, herein lies adventure that will keep you from food or rest . . . Butcher proves yet again that he is an amazing storyteller -- #1 New York Times bestselling author Patricia Briggs Great action scenes, a fascinating world, and characters of a sort I've never seen before. This is everything I've come to expect from Jim Butcher, but in a delightful new flavour -- Patrick Rothfuss, author of THE NAME OF THE WINDWerbetextJim Butcher, the No.1 New York Times and No.1 Sunday Times bestselling author of the Dresden Files, conjures up a new series set in a fantastic world of noble families, steam-powered technology and magic-wielding warriors . . .
