Von James Anderson : The Affair of the Bloodstained Egg Cosy: 1 (The Affair of... Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Affair of the Bloodstained Egg Cosy: 1 (The Affair of... Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A

Delightful, Witty Mystery! Von Ein Kunde The Affair of the Blood-Stained Egg Cosy is one of many mysteries whose plot centers around a house party. However, Affair is unusually creative, funny, and clever. Affair was written in 1975, and takes place in the 1930s, but its humor and wit is timeless. Walter Satterthwait's Escapade would seem to owe a debt to Affair, as there are several similar elements and plot points. However, Affair succeeds in all the areas in which Escapade failed. James Anderson's plot is complex but never feels ridiculously contrived, and does not base plot points around ignorant, mistaken assumptions about ballistics, as Satterthwait does. Anderson also does a much better job with his characterizations, and is better able to make key characters charming rather than unintentionally obnoxious. AFFAIR is a really delightful book. Now if only the sequel would be back in print! 2 von 2 Kunden fanden die folgende Rezension hilfreich. A great read! Von Brenda Takes place in England during the 1930s. This mystery is about a weekend country house party with murder and mayhem. There's espionage, a jewel thief, secret agents, blackmail, and guests who are not who you think they are. Inspector Wilkins rivals Poirot and James Anderson rivals Agatha Christie. I found myself relaxing after the first chapter, knowing I was settling down to a good British mystery. I tried to deduce who the murderer was, but couldn't. And never did figure out the bloodstained cozy until it was revealed in the story line. When the Inspector finally revealed the murderer I was stunned.... This is how a mystery should be written! Excellent read. I am looking forward to reading his second title "The Affair of the Mutilated Mink."

Kurzbeschreibung The theft of the diamond necklace and the antique pistols might all be explained, but the body in the lake - that really was a puzzle. Don't expect me to solve anything, Inspector Wilkins announced modestly when he arrived to sort out the unpleasantness. And at a gathering that included English aristocracy, foreign agents in disguise, a ravishing baroness, a daring jewel thief, a Texan millionaire and, of course, the imperturbable butler, it was going to take some intricate sleuthing to uncover who killed whom and why. Pressestimmen 'Had Dame Agatha not been sitting so securely in her chair I would have hazarded a guess that James Anderson... might be on his way to usurp her position in the hearts and minds of the whodunit-loving public' The Bookseller Kurzbeschreibung The theft of the diamond necklace and the antique pistols might all be explained, but the body in the lake - that really was a puzzle. Don't expect me to solve anything, Inspector Wilkins announced modestly when he arrived to sort out the unpleasantness.
