Von James Anderson : The Affair of the Mutilated Mink: 2 (The Affair of... Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Affair of the Mutilated Mink: 2 (The Affair of... Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A Masterful WhodunitVon Ein KundeTakes place in England during the 1930's. It's the 2nd novel in the Inspector Wilkins series. The Earl of Burford has stars in his eyes when he finds out someone wants to film a talking picture at

his country estate starring one of his favorite swash buckler heroes. His wife isn't thrilled at all and now a long-lost relative is arriving at the same time as the star and soon their home is inundated with invited and uninvited guests. Here we go again a house party that leads to the same extra curricular activities as the last one. But this time Inspector Wilkins boss wants Scotland Yard to help out. The author as in his last title *The Affair of the Bloodstained Egg Cozy* just as masterfully weaves this mystery. I found myself following the leads closely to see if I could figure out whodunit before the end of the book, but I couldn't. I am honest in saying both Inspector Wilkins novels will go on my favorite mystery list.

Kurzbeschreibung Lights. Camera. Action! The Earl of Burford can't believe his luck; the famous actor Rex Ransom wants to film his next feature at Alderley, the family's beautiful country estate. Somewhat less enthusiastic is the Countess, who suddenly finds herself hosting an impromptu house party for the incoming Hollywood crowd. It's almost too much for poor Merryweather, the family's imperturbable butler, to cope with. And that's before the murder in the dead of night - By morning, Inspector Wilkins is cast in the unlikely role of hero, as he tiptoes through the evidence and endeavours to unravel the thoroughly baffling mystery and work out just what a mutilated mink coat has to do with anything.

Synopsis The Earl of Burford can't believe his luck; Rex Ransom, his favourite star from the 'talkies', and his hot-shot producer, Haggermeir, want to film their next feature at Alderley, the family's seventeenth-century country estate. Somewhat less enthusiastic is the Countess, who suddenly finds herself hosting an impromptu house party for the incoming Hollywood crowd. It's almost too much for poor Merryweather, the family's imperturbable butler, to cope with. And that's before there's a murder in the dead of night - By morning Inspector Wilkins of the Westshire Constabulary is cast in the unlikely role of hero, as he tiptoes through the evidence and endeavours to unravel the slightly batty, thoroughly baffling mystery - and work out just what a mutilated mink coat has to do with anything.
