**Von Marion Zimmer Bradley : The Ages of Chaos (Darkover)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ages of Chaos (Darkover):

KundenrezensionenHilfreichste Kundenrezensionen2 von 6 Kunden fanden die folgende Rezension hilfreich. Toll, aber...Von Ein KundeAls groer Fan von Marion Zimmer-Bradleys Werken freue ich mich immer, wenn ein neues Buch erscheint.Die 2 Bcher, die hier zusammen erscheinen sind auch sehr gut,Hawkmistress war mein erstes MZB-

Buch und hat mich zu meiner Fantasy-Leidenschaft gefhrt. Einen Schwachpunkt gibt es allerdings: beide Bcher sind noch zu kaufen. Ich wrde mich freuen, wenn mehr der vergriffenen Bcher neu erschienen. Trotz allem, selbst wenn man ein Buch schon hat, lohnt sich der Kauf dieser Auflage schon allein vom Preis.

Kurzbeschreibung The Ages of Chaos includes Stormqueen! and Hawkmistress!, two acclaimed novels by Marion Zimmer Bradley and part of the expansive, genre-bending Darkover series. Set during the lawless Ages of Chaos, when the ruling families of the Seven Domains of Darkover ruthlessly inbred their psychic offspring to gain powerful and fearsome talents, two young women are born with "wild" psychic gifts. These stories Stormqueen! and Hawkmistress!, one tragic and one triumphant combine to give the reader a vivid and poignant picture of a devastating time period in the history of this fantastic world. Stormqueen! During the lawless Ages of Chaos, when the ruling families of Darkover ruthlessly inbred their laran-gifted offspring to gain powerful talents, a baby was born to the lord of Aldaran. This child, born on a dark and thunder-filled night, was possessed of a terrifying and uncontrolled talent: Dorilys, heiress to her fathers domain, could unwittingly call forth lightning, even while still a fretful child. Fearful for his daughters life and the safety of his domain, Lord Aldaran sent to a tower for help. But even the powers of a trained monitor and a Hastur lord might not be enough to save this painfully afflicted and deadly young woman. Hawkmistress! Romilly was an independent tomboy from a noble family, contrary to the social demands of Darkovan women. That was bad enough, but when Romillys father arranged her marriage to a nobleman she found repulsive, she rebelled. Disguising herself as a boy, she fled into the deep forests. Living off the land was not nearly as difficult for Romilly as for most people, for she possessed a rare and highly-treasured gift: telepathic communication with hawk and horse. But Romilly soon discovered her newfound freedom was far from complete. Pulled into the maelstrom of a civil war, could Romilly find her true role in life without sacrificing her ideals? From the Paperback edition. Pressestimmen Praise for Darkover: Suspenseful, powerfully written, and deeply moving. Library Journal A warm, shrewd portrait of women from different background working together under adverse conditions. Publishers Weekly For sheer skill in storytelling and worldbuilding, for wit, for strikingly intelligent development of the concept of telepathy, above all, for continuous concern for people, Bradley has put some more famous sagas in the shade. Chicago Sun-Times A rich and highly colored tale of politics and magic, courage and pressure.... Topflight adventure in every way! Analog Magazine, Lester Del Rey Delightful... a fascinating world and a great read. Locus Literate and exciting. New York Times Book May well be [Bradleys] masterpiece.
