ber den Autor und weitere Mitwirkende Maya Cross is a writer who enjoys making people blush. Growing up with a mother who worked in a book store, she read a lot from a very young age, and soon enough picked up a pen of her own. She's tried her hands at a whole variety of genres including horror, science fiction, and fantasy, but funnily enough, it was the sexy stuff that stuck. She has now started this pen name as an outlet for her spicier thoughts (they were starting to overflow). She likes her heroes strong but mysterious, her encounters sizzling, and her characters true to life. She believes in writing familiar narratives told with a twist, so most of her stories will feel comfortable, but hopefully a little unique. Whatever genre she's writing, finding a fascinating concept is the first, and most important step. The Alpha Group is her first attempt at erotic romance. When she's not writing, she's playing tennis, trawling her home town of Sydney for new inspiration, and drinking too much coffee. She loves to hear from readers, so please feel free to follow her on any of her social media channels. And don't forget to check out her website. You can sign up to her mailing list there, to hear about new releases and any promotional sales she might be running.
