Von Michelle Fox : The Alpha's Mate (Huntsville Pack Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Alpha's Mate (Huntsville Pack Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Endlich VollwerwolfVon Renate H.Chloe kann endlich ihre Gestalt wechseln, nachdem Jackson ihr geholfen hat. Sie ist nun vollwertiges Mitglied ihres Rudels und die Partnerin des zuknftigen Alphas. Das bringt ihr den Neid des weiblichen Teils des Rudels ein, schnell entsteht das Gercht, dass sie Omega ist, und sich daher nicht verbinden kann. Chloe muss

sich ihren Status im Rudel erkämpfen, und ihre Liebe zu Jackson verteidigen. Dann beginnen plötzlich weibliche Werwölfe zu verschwinden. Auch diese Geschichte mit Chloe und Jackson ist wieder sehr gut erzählt. Dazu kommt noch die Spannung, was mit den Verschwundenen passiert ist, und wie Chloe ihre Stellung behaupten kann. Und natürlich ist der Sex heiß, die Verbindung wird spürbar fester. Eine Leseempfehlung für alle Freunde des Paranormalen.

Kurzbeschreibung What reader's say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Little known fact about being a werewolf: There are always wolves at your door and some of them are up to no good. Chloe Weiss dreams have finally come true: She's a null no more, her wolf has finally come. She's now a full member of her pack in the remote Appalachian weretown of Hunstville. Even better, she's mated to the pack's next alpha, Jackson Swift. However, now that she's on the other side of her happy ending, things aren't quite as rosy as she'd expected. The women of her pack resent her status as alpha's mate and suddenly there are rumors that Chloe is an Omega, a werewolf so weak they are banned from ever mating. Worse, an old friend of Jackson's blows into town full of disapproval....and competition. It seems no one likes Chloe except Jackson. Then women start disappearing, violently kidnapped from their homes and never heard from again. There's a killer on the loose in the small town of Huntsville, and the one wolf he'd do anything to have is Chloe. Now Chloe will have to fight...for Jackson, her place in the pack, and her life. This novel is a sequel to the bestselling *To Bring Her Wolf*.
