Von Lynette Sofras : The Apple Tree (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Apple Tree (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Wunderschne Liebesgeschichte!Von Book LoverIch kann diese romantische Novelle absolut empfehlen. Die Heldin muss sich einigen dunklen Geheimnissen ihrer Vergangenheit stellen, damit ihre neue Liebe eine Zukunft haben kann. Die Autorin hat einen Schreibstil, der michetwas an Jane Austen (natrlich modern) erinnert. Die Charaktere haben Tiefgang und scheinen aus dem Leben gegriffen zu sein. Sehr lesenswert!

Kurzbeschreibung This novel was previously published by Prism Book Group (formerly Inspired Romance Novels) and was their GRAND PRIZE WINNER in December 2011. Escaping from your past is never easy, as junior hospital doctor Juliet discovers when she tries to start afresh, leaving both her marriage and her career behind. Love blossoms rapidly when she meets the mysterious and forthright Nicholas, who seems to herald the new beginning she craves. But Nicholas isn't quite what he seems and also holds strong views on the subject of marriage that she fails to take seriously. The past quickly dissolves into insignificance as their all-consuming romance propels them forward, but Juliet has to learn the price of happiness in the cruellest way possible. Will she be able to tackle the painful roots of her past in order for her future to grow strong and healthy?
